

Supertato

Home Learning Challenge

Draw a face on a potato to make your own Supertato! Take Supertato around your house to help out with some of the jobs, such as tidying your bedroom and putting away the dishes. What other helpful things can he do?

Talk about what your name would be if you were a superhero and what special powers you would have. You could draw a picture and bring it into school.

When making or eating a meal, discuss which parts of the meal are vegetables and which are healthy for your body. You could also make a healthy snack such as fruit salad or a fruit smoothie.

Make jelly and add in fruit such as blueberries. Does your jelly taste like peas, like the one in the story? What does your jelly taste like?
