2<sup>nd</sup> June 2020

Dear Parent / Carer,

We are delighted to be welcoming your son/daughter back to school this term, however, **please do not send students into school if they have any of the Coronavirus symptoms.**

If anyone becomes unwell in school, with a new, continuous cough or a high temperature and or a loss/change in taste or smell, parents will be called to collect. All pupils will be well cared for using stringent COVID 19 infection control procedures until parents arrive.

Should your child be sent home following symptoms consistent with coronavirus they must self-isolate for 7 days. Their whole household is advised to self-isolate for 14 days. All staff and pupils attending school will have access to a test if they display symptoms of coronavirus and they are encouraged to get tested.

Where staff or pupils receive a negative test result, they can return to school and household members can end their self-isolation. Where staff or pupils receive a positive test result, the rest of their class or group will be sent home and advised to self-isolate for 14 days. Other wider members of class or group and household members do not need to self-isolate unless the self-isolating staff or pupils subsequently develop symptoms.

Many thanks for your support.

Yours sincerely,

Maggie Hazeldine

Principal
