

Wednesday 18th March 2020

Dear Parents/Carers,

COVID-19 Update

As a school, we are taking our lead from South Tyneside Council. They will keep us updated and we will pass information on to you if there are any changes or developments. We are aware that some families who may be self-isolating may rely on school to provide their children with a hot meal. If you are in this position you can access the Food Bank in South Shields.

Hospitality & Hope,
Hampden Street,
South Shields
NE33 4JR.

Please take care of yourselves.
We will work together to get through this.
