

Year 4 Term 2 Creative Home Learning

Choose an activity from each of the boxes below.
Creative home learning is due in on Tuesday
15th December 2020.

Learning Adventure Tasks:

- Visit a local river and take photographs of any features or wildlife that you see there.
- Write a river themed poem.
- Research one of the great rivers of the world. You can present this information in any way you choose– as a PowerPoint, a poster or as a written report.
- Find out how humans have used rivers historically.
- Make a model of a river.

RE Tasks:

- Create your own Nativity Crib Set.
- Research and present information on why Nelson Mandela or Mother Teresa are important figures, even after their deaths.
- Create a picture/story map of Mary and Joseph's journey to Bethlehem.
- Make your own Advent calendar.

A big thankyou to all families who have encouraged and supported their child to produce high quality home learning. It is evident from the buzz and excitement that children are finding this approach to home learning a chance to get their creative juices flowing. This approach to learning also helps to develop good habits of planning and organising.

Your child will still receive their weekly spellings and times tables to practise. Mathletics and Times Tables Rockstars have also been set up with individual learning packages. These should all be completed weekly.

Thank you again for your enthusiasm and support as we continue through the year.
