Welcome to the Brookvale Groby Learning Campus

Our Motto: Work Hard, Be Kind

Welcome from our Head Teachers To all Parents, Carers and Students

From Acting Headteacher, Mandy Bearne

Welcome to the Brookvale Groby Learning Campus and the start of your 5/7 years with us. Brookvale Groby is an exciting place to be, full of rich learning opportunities and great futures.

I have had the great pleasure of being Head for the last year. This has been an unprecedented year for everyone and it is unfortunate that we have not been able to offer our usual high standard of transition arrangements for your child.

However, this welcome pack is your guide to everything you need to know about getting ready for the new academic year. Read the information carefully and contact us if there is anything that you are unsure about. We believe in working in partnership with home in order to provide the highest quality education we can for every student.

kindest Regards, Mandy Bearne

From New Headteacher August 2020, Will Teece

I am delighted to accept the position of Head at BGLC from August 2020. Thank you to Mandy for her support to us all during this transition period.

I look forward to working with all parents, carers and students and staff in the coming years, to progress with high standards in all areas of schooling.

Please do not worry about the new start for your child. We will put in additional steps at the start of the new term to ensure that every student is able to settle into the school environment at BGLC and familiarise themselves with new friends, teachers and activities.

All good wishes, Will Teece

Learning Camp 1 and 2 July 2020

If the Learning Camp days do not go ahead we will issue instructions by email about what your child should do on the first day of term.

The Learning Camp is the name that we give to our Year 6 welcome days, which take place on Wednesday 1 and Thursday 2 July. The Learning Camp has been designed to support your child through the transition from Primary to Secondary education.

There will be taster lessons for Maths and English as well as lessons based on our motto of '*Work Hard, Be Kind*'. Our aim is to introduce your child to our learning and social expectations here at Brookvale Groby in order they feel confident and ready to learn for the start of Year 7.

What to do on arrival for Learning Camp

Day 1: Students should make their own way to the campus* and meet outside our main reception at 8.40am on the first day. Staff will be present to welcome students. *School buses are not available for use.

Day 2: Students should make their way to their tutor group room for 8:40am.

"What should my child bring to Learning Camp?"

Please bring a pen, pencil, ruler and water bottle plus a packed lunch or have money ready-loaded on to the cashless catering account. Students will be issued with an ID card so they are able to purchase items from the canteen at break and lunch.

"What should my child wear on Learning Camp Days?"

We are aiming for all our new students to make friends from other primary schools during these days, so please no primary school uniform. Instead, please send your child in practical clothing such as jeans, T-shirt, jumper or sweatshirt and flat shoes or trainers. No revealing clothes or high heel shoes.

Parents please note: Whilst we are happy for parents/carers to walk onto campus to accompany your child, **parents are not allowed to drive on to campus for drop offs or collections between 8:15am and 3:30pm**, to allow access for the buses to the site and to maintain safety for all students.

Uniform Guide

In Years 7-11 we expect all students to wear full school uniform. We want to make sure that students and parents are completely clear about what is and is not allowed so that money is not wasted by purchasing inappropriate items.

We strongly recommend that all items of uniform are named so that they can be returned to the student if lost.

We believe uniform is important for several reasons:

- It encourages the students to "dress for success", to feel pride in the school and feel part of the school community.
- It reduces the scope for competitive dressing, which can be a source of much unhappiness for some children.

Uniform Rules

If a student attends school in uniform that does not comply with our guidelines they will be asked to change into other items provided by the campus, or asked to remove an item that is inappropriate. Failure to comply with a request will lead to further sanctions.

Jewellery

- One pair of small sleeper or stud earrings is permissible.
- No tongue or facial piercings/rings/bangles/bracelets/necklaces.
- A standard watch is permissible—but not an iphone/apple watch.

Make-up

- Light make-up is permitted, however, it must be discreet.
- No false eyelashes.
- If staff decide that make-up is too noticeable, removal will be requested.

Nails

- No acrylic/false nails.
- No nail varnish (other than clear) is permitted.

Other Accessories

Belts, hairbands etc. need to be plain black and discreet.

Outer Wear

Hoodies may not be worn as a school coat.

Government guidelines prevent Headteachers from granting any leave of absence during term time, unless there are exceptional circumstances. A family holiday during term-time does not fall under the category of 'exceptional circumstances' and we are, therefore, unable to grant leave of absence for a family holiday request.

If a student has absences recorded as a result of an unauthorised absence, Leicestershire County Council will be advised of this matter and may be requested to issue Penalty Notices in line with our policy.

Transport to Campus

It is the responsibility of parents/carers to organise transport to campus for their child. However, as we welcome students from a wide area, we organise several fee-paying services to assist parents with these arrangements. Students are dropped off and picked up in the campus grounds. Students are issued with a photo ID bus pass and replacements cost £5.00.

Cycle

We provide bicycle racks where students can leave their bikes during the day. We encourage all students to lock their bike securely to the rack. Students must not cycle on the campus for safety reasons. Students must walk with their bike when entering and leaving the campus.

Leicestershire County Council Transport

Some students are eligible for free transport. This can be due to a number of reasons such as a family's circumstances, a child having special needs or the distance travelled to school. If you think your child might be eligible for free transport please contact LCC's Passenger Transport Department on 0116 305 0002 transportassessments@leics.gov.uk

Parentpay is an online system offering three main functions for our parents/carers:

1. Communication

Our Campus uses ParentPay as our primary means of communication between the campus and parents/carers. Almost all correspondence and documentation is issued by email, which is why we ask that parents set up a ParentPay account.

2. Catering

The campus operates a cashless system for students purchasing food and refreshments. Adding money to a student's lunch account is a simple online process and the preferred method.

Students can also load cash onto their account using the machine in school.

Students are issued with an ID card with a lanyard and use this to record their catering choices and spending on a daily basis, which parents can then monitor.

If this card is lost by a student we make a £5 charge to issue a replacement.

3. Other Payments

We also use ParentPay as an easy means for parents/carers to pay for other items - trips/lockers/study materials etc.

How to Set up Your ParentPay Account

Please refer to letter enclosed for instructions on how to set up your ParentPay account.

Google Classroom for “Smart Parents”

To provide our parents/carers with information about their child at school, we use an online package, called “Smart Parents”, from Realsmart.

The system provides access to the following:

- Student timetable
- Attendance
- Behaviour and achievements
- Homework tasks

Parents are provided with a link to Smart Parents.

You will be issued with the **student user name**, and **PIN**, along with instructions, early in the new term.

Parents create their own user ID on the smartparents website.

The user ID is associated with the student username and PIN.

User guides on other aspects of using the website will be in the Docs tab on the site: www.realsmart.co.uk

Student Lockers

Lockers are available for students to use and we ask that payment is made online via ParentPay.

However, we do not have sufficient lockers to issue one to each student, therefore, availability is limited.

PLEASE NOTE: If 'Locker' is not visible on ParentPay, this indicates all lockers are paid for and there are no more available to reserve.

Locker keys will be issued to students in the first week of the new term in September.

Medical Conditions and Medication

If your child has a medical condition, please ensure it is specified on their admission form, a meeting will then be arranged for you to come to campus to meet Mrs Parke, PA to Deputy Headteacher [Pastoral] and an Individual Health Care Plan will be put in place, if required.

Parent/Carers are responsible for ensuring that students who have been diagnosed with Asthma must carry their own inhaler with them at all times. We also encourage students to bring in a spare, named, in-date inhaler, which can be kept in the main Campus Reception.

Students who have been prescribed an Adrenaline Auto Injector (AAI) must carry their own AAI with them at all times, [two, if this is what has been prescribed], including for trips, PE and away sporting fixtures. In addition to this a spare, named, in-date, AAI can be kept at Campus Reception. An Emergency Action Plan must also be completed by the prescribing doctor and this will need to be in school before the student starts. Parents/Carers are responsible for checking all medication is in-date.

For further information, please see our Supporting Students with Medical Needs Policy and Procedure 2020-2023, on our website.

Please do not hesitate to contact Debra Parke, if you have any questions about medication in school email: dparke@brookvalegroby.com.

If you are not sure if you are eligible for free school meals please visit www.brookvalegroby.com, 'parents' tab. Please do take the time to apply, even if your child may not wish to eat in the canteen. Every successful application brings additional funding to the school for the benefit of all students.
