

Hartdown
Academy

26 November 2020

Dear Parents/Carers

In our Middle Years Programme at Hartdown Academy, we deeply believe in academic rigour and ensuring that all of our learners are supported to be able to achieve, but also challenged so that they can excel.

We are delighted to be offering Maths Masterclasses on a fortnightly cycle to a selected number of students, who we feel have shown exceptional abilities in Mathematics. If your son/daughter has been invited to these sessions, they will be informed on Monday 30th November; these sessions will begin on Friday 4th December, during their school day.

If you have any objections or concerns, please do not hesitate to contact either myself or Miss Dobson.

All the best,
Mrs Savage
