

Meet our new School Council team.....

I have the pleasure of introducing you to the **Cardinal Wiseman School Council** team for 2019-20.

The School Council representatives meet 2-3 times every half-term to discuss important issues that are affecting student life. The week after our meeting the reps must relay the information to their Formation groups, so that all pupils feel involved and up-to-speed on what is happening in school.

The first job of the School Council team was the selection of our new **Cardinal Wiseman Prefects**. We had over 70 pupils apply and the school council reps had to read through every application to decide whether or not that particular pupil had the characteristics and attributes needed to become a Cardinal Wiseman Prefect – *Alan Sugar eat your heart out*. Putting friendships and loyalties aside, the council reps were tasked with the job of picking a team of Prefects they knew would embody the qualities needed to fulfil this important role. The chosen Prefects will be announced via the year group assemblies in the coming weeks.

The next job of the School Council team is tackling recycling within school, so watch this space.....

Mrs Buckle
