

## Breakfast Club - COVID Update

November 2020

The Breakfast Club is open everyday before school between **8.10-8.40am**. To meet the needs of our Risk Assessment we have had to restrict the club to just years 7 & 8 for the time being but do hope to open it back up to the older years in the not so distant future. Breakfast parcels are available to years 9-11 should they want them - please just enquire at reception or via the enquiry email if this is the case.

- Year 7 - Use the Large Dining Room
- Year 8 - Use the Small Dining Room

The Breakfast Club is an excellent place to go in the morning - especially as we enter into the cold weather season. Here you can get a free breakfast, meet your friends, catch-up on homework and even chat with the staff. Don't believe me?! Then listen to the testimonial of one of our Breakfast Club regulars:

*"The Breakfast Club is simply a really enjoyable and friendly environment to be in and I hope many more people will attend because it will make it even more lively and entertaining". **Amber Hibbert - 8Be.***
