Dear Parent/Carer

## Cashless Payments for School Lunches

Thank you for your continued patience while we have been arranging online dinner money payments.

From 1 October 2020 you will be able to pay for your child's/children's future lunches on the School Gateway or alternatively by cheque made payable to EPMS.

For any lunches taken on or before 30 September 2020, including any unsettled from the previous academic year, a one-off payment request will be set up on the School Gateway that you can either use to pay on line or refer to when providing a cheque. Please note that any cheques that have been sent into school will be taken into account.

If your child already receives free school meals this information does not apply and existing arrangements will continue.

Yours sincerely
