

# Code of Conduct

At Sacred Heart we pride ourselves on offering an enriching and challenging academic curriculum, which broadens the experience and life chances of our students. We teach, as Christ did, with compassion and respect for all – valuing each individual who make up our community.

We are proud to be able to say that we know every student in our school – it is this close link that allows us to nurture the whole child and educate them effectively with aspiration, with care and with our support.

We believe that everyone should be;

Caring	Considerate	Co-operative	Hardworking
Honest	Polite	Respectful	Responsible

To show this we must:

Be punctual	Speak considerately	Act considerately
Be ready for lesson	Move about the school appropriately	Respect our environment
