

At St Mary's we...
Live, Love and Learn with the Guidance of God

Dear Parents/Carers,

During these uncertain times we are going to share a weekly newsletter with you, to keep you updated about everything that is happening in school.

Firstly, I hope you and your family are still staying well and safe. I understand the challenges you are facing daily, so want to thank you for your support with our Google Classroom and Seesaw teaching, and for communicating with us each week.

I cannot believe it is the second week summer term already; please be reassured we will do everything we can to support you this coming term.

As a school we will continue to call you to speak to you and your child. If you miss our call, please call us back – there is always a familiar voice at the end of the phone or an email. Please be aware and check what your child is accessing online through any social platforms / online games, this is to keep all pupils safe and happy.

Finally, please can I ask you to keep all our St Mary's family in your prayers: especially those who are experiencing bereavement, illness and sadness during this difficult time.

God Bless
Mrs A McClurey
Deputy Headteacher

Take Over Tuesday

Early Years
Nursery &
Reception

ALISTAIR BRYCE-CLEGG
AT
ABC DOES...

Alistair Bryce Clegg specialises in the education of children in the Early Years. After coming across our Early Years Instagram page (st_marys_ey) he was as impressed, as we are, with Mrs Hurley and the team. Alistair contacted the school and asked if we would feature on his world famous 'Take Over Tuesday' to share with schools across the world our excellent practice. Below are some of the photos shared.

Social Media

Please keep checking in with our Facebook, Twitter, Instagram and YouTube account for daily updates, activities and

'Work to be PROUD of!'

Staffing

This week we say goodbye to Miss Hogg. We would like to give a big thanks to Miss Hogg for all her hard work and dedication at St Mary's and wish her the best of luck in her new venture.

We are please welcome Mrs Burke to St Mary's. Mrs Burke brings with her a wealth of teaching experience; teaching in all key stages. In particular, Mrs Burke has a passion for sports and computing!
