Dear Parents and Carers,

You will be aware of the guidance issued by the DfE on Monday 11th May setting out its anticipation to encourage pupils to attend school from 01st June 2020 which is subject to change. We will update you in respect of any such modification.

As a Trust we have commenced our planning following the government announcement. This will reference the government guidance allied to detailed risk assessments and consultation with teachers, parents and Trade Unions.

We will ensure that any proposals to offer school opening from June 1st will take account of the necessity to offer a safe and secure environment for pupils, staff and naturally parents in respect of drop off and collection of your children. We will issue comprehensive guidance on the Trust wide model of school return for June 01st onwards by Friday 22nd May 2020.

Kind Regards
