

Year 10 Summer  
French Revision Guidance

We have put together an optional timetable for you, to help with your French revision over the summer. Whilst this is completely optional, it is highly recommended that you complete some revision over the summer. This guidance should help you to structure your revision.

For each topic we have put the required vocabulary lists and practice exam questions in the GCSE French Revision Classroom.

We would also suggest for each topic to use a mix of the following activities:

- Vocabulary quizzing is key. Remember the amount of vocabulary you know really impacts on your grades. Quizlet has all of the KS4 sets on it.

The links are here: [Modules 1-2-3](#) [Modules 4-5-6](#) [Modules 7-8](#)

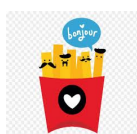

- Grammar revision and practice tasks [Grammar](#)
- Practise exam questions [Google classroom](#)
- Create a mindmap with key vocabulary & structures
- Create index cards to help you prepare for the General conversation part of the Speaking exam (having the question and the answer on one side in French and the translation on the reverse side is very effective)
- Free French tutorials on Youtube-[Learn French with Alexa](#) (good for pronunciation practice and listening skills)
- Seneca quizzes [Seneca Learning](#)
- Duolingo quizzing [Duolingo](#)

- See below for suggested programme of study
