

The Friends of St Martin-in-the-Fields *a worldwide community*

Membership Application

The Friends of St Martin-in-the-Fields

We are a worldwide community of people who love St Martin's and who, through membership, have a formal link to the church and to each other.

St Martin's is an inclusive church where all are welcome and this is reflected in the Friends. Some join after visiting St Martin's or attending a service; others have heard broadcasts from the church, or have read about the work done towards creating a fairer world for everyone.

We regularly communicate information about the church's ministry and activities, including special events and courses which you can join.

We tell you when the clergy and choir are visiting other churches, in the UK or abroad, so that you have the opportunity to attend those services.

We hold an annual festival in June and other social activities where members can meet each other.

We financially support projects which further the work of St Martin's.

Membership gives you:

- an annual newsletter in the Autumn, with a Spring update
- an invitation to our Festival day in June, with the Annual General Meeting and a Eucharist, followed by lunch.
- a chance to join organised visits to places of interest in London
- regular information about activities at St Martin's by email.
