Statement on Safeguarding Children and Adults at Risk

Every person has a value and dignity, which comes directly from the creation of people in God's image. Christians see this potential fulfilled by God's re-creation of us in Christ. Among other things this implies a duty to value all people as bearing the image of God and therefore to protect them from harm.

We commit ourselves to nurture, protect and safeguard all our members, particularly children, young people and adults at risk.

We recognize that safeguarding is the responsibility of the whole church.

We understand to exercise proper care in the selection, appointment, training and support of those working with children or adults at risk.

We will respond without delay to concerns or allegations that a child or adult at risk may have been harmed, cooperating fully in any investigation.

We will challenge any abuse of power by anyone in a position of trust.

We will seek to offer pastoral care to anyone who has suffered abuse.

We will seek to offer pastoral care and support, including supervision and referral to the proper authorities, to any member of our church community known to have offended against a child, young person or adult at risk.

Please refer to the **Parish Safeguarding Policy Statement, Diocesan Safeguarding Policy Promoting a Safer Diocese (2018)** and the National Church's **Safeguarding Policies** and **Parish Safeguarding Handbook** for more information.
