

West of England One Front Door Programme Schemes

Note: Funding Streams include Local Growth Fund (LGF), Economic Development Fund (EDF) and Revolving Infrastructure Fund (RIF)

	Schemes fully approved
	Schemes with approved Outline Business Case
	Other programme schemes
	Completed

Funding Stream	Scheme Promoter / Grant recipient	Scheme Name	Current Funding Allocation £m (LGF/EDF/RIF)	Scheme Description
LGF	University of the West of England	Bristol Institute of Technology, Robotics Lab & University Enterprise Zone	£4.5	Project involves refurbishment, conversion and fit out of former Hewlett Packard premises, alongside that part currently occupied by the Bristol Robotics Laboratory, to provide start-up and grow-on space for technology/knowledge-based businesses alongside applied laboratories.
LGF	Bristol City Council	Open Programmable City Region (OPCR) – Bristol Infrastructure, Sensor Factory, CAV Access Network and KWMC Research Projects	£3.3	An expansion of the test bed to provide fibre network connectivity to the wider area and enable research and development projects to utilise the platform.
LGF	South Gloucestershire Council	Advanced Composites for Transport Infrastructure – Bridge Construction	£5.1	Application of new technology to develop an advanced composite bridge design solution that can be efficiently and economically used in a variety of locations, and to showcase this through the implementation of a pedestrian and cycle crossing of the A4174 Ring Road at Emersons Green.
LGF	Weston College	Weston College Future Technology Centre	£2.7	Construction of a flagship facility based at the South West Skills Campus to up-skill learners with ‘work ready’ technology skills focused on the Creative and Digital, Advanced Engineering/Civil Engineering and Automated Manufacturing, and Low Carbon sectors.
LGF	Weston College	Weston College Law and Professional Services Academy	£19.4	Construction of a learning centre located in the centre of Weston-super-Mare at the Winter Gardens and Arosfa Hotel which will support employer skills needs within the Law and Professional Services sectors, whilst providing a focus for the regeneration of Weston town centre.
LGF	City of Bristol College	City of Bristol College Advanced Engineering Centre Extension	£4.0	Extension to City of Bristol College’s Advanced Engineering Centre for the provision of skills training in areas such as the maintenance and operation of 3D printers, Computer Numerical Control (CNC) machining and the use of composite materials.
LGF	Bristol City Council	West of England Sustainable Transport Package 15/16	£2.9	Consists of a package of transport measures, including new and improved routes and facilities for walking and cycling, public transport improvements such as dedicated bus lanes and priority measures, and other sustainable transport initiatives focused on the Temple Quarter Enterprise Zone and five Enterprise Areas.
LGF	Bristol City Council	West of England Sustainable Transport Package 16/17	£3.7	Consists of a package of transport measures including new and improved routes and facilities for walking and cycling, public transport improvements such as dedicated bus lanes and priority measures, and other sustainable transport initiatives focused on the Temple Quarter Enterprise Zone and five Enterprise Areas.
LGF	North Somerset Council	MetroWest Phase 1 (West of England wide) Development Costs	£10.6	Reopen the Portishead line, half hour train services for the Severn Beach line and more trains serving Keynsham, Oldfield Park, Bedminster and/or Parson Street.
LGF	North Somerset Council	MetroWest Phase 1 (West of England wide) Construction Costs	£44.6	Reopen the Portishead line, half hour train services for the Severn Beach line and more trains serving Keynsham, Oldfield Park, Bedminster and/or Parson Street.

Funding Stream	Scheme Promoter / Grant recipient	Scheme Name	Current Funding Allocation £m (LGF/EDF/RIF)	Scheme Description
LGF	South Gloucestershire Council	MetroWest Phase 2 Development Costs (West of England wide)	£3.2	Deliver half hourly services to Yate plus an hourly service for a re-opened Henbury line, with new stations at Henbury, North Filton, and Ashley Down.
LGF	Bristol City Council	Bristol Engine Shed Phase 2	£4.0	Development of the George and Railway hotel site to build upon the success of the existing Engine Shed, and provide additional space for business incubation, collaboration and meetings and commercial grow-on space.
LGF	South Gloucestershire Council	Superfast Broadband Extension Programme (SGC)	£1.3	Extension of the Superfast Broadband network to additional homes and business premises in South Gloucestershire, with Government match funding through Broadband Delivery UK (BDUK).
LGF	Bath & North East Somerset Council	Superfast Broadband Extension Programme (CDS)	£0.4	Connecting Devon and Somerset (CDS) superfast broadband extension programme being undertaken in the Bath & North East Somerset and North Somerset areas.
LGF	Bath College	Bath and North East Somerset Construction Skills Centre	£2.7	Delivery of a construction skills training centre to support a full range of construction disciplines and trades at the Norton Radstock campus which sees the site becoming a specialist skills hub focussed on construction and engineering.
LGF & EDF	North Somerset Council	West Wick Roundabout & North South Link	£11.3	West Wick Roundabout capacity improvements at this junction on the A370 in Weston-super-Mare will maintain reliable journey times on this strategic route into and within the J21 Enterprise Area. The North South Link is the main access route required to unlock development areas at Parklands village.
LGF, EDF & RIF	South Gloucestershire Council	Aztec West Roundabout	£4.2	Widening of the roundabout and provision of associated pedestrian and cycle crossing facilities to provide additional capacity on one of the main routes serving the Cribbs Patchway New Neighbourhood and Filton Enterprise Area.
LGF & EDF	Bath & North East Somerset Council	Bath Innovation	£10.0	Grow on/accelerator space as part of wider Bath Quays project together with public realm and other infrastructure to enable delivery.
LGF	Destination Bristol	Bristol and Bath Cultural Destinations Media Bank	£0.1	A key infrastructural asset for the Cultural sector - a Media Bank to support the work of the Bristol & Bath Cultural Destinations Project.
LGF	University of West of England	Health Technology Hub	£1.3	Refurbishment of a 900m2 facility on the University of West of England Frenchay Campus, to provide a research and innovation centre for the advancement of Independent Living and Citizen-Centric Health, focussed on business support and business/academic/healthcare interactions.
LGF	North Somerset Council	Town Square, Weston-super-Mare	£2.9	Create a public space and provide connections from the seafront to High Street and University Centre campuses. The objective is to improve connectivity both physically and visually and upgrade the quality of the space.
LGF	National Composites Centre	NTProStruct	£3.9	Purchase capital equipment at the NCC to develop advanced manufacturing technologies for major components used in aerospace, automotive and other sectors.
LGF	Bath & North East Somerset Council	Bath Quays Bridge	£1.0	A new pedestrian and cycle footbridge over River Avon connecting Bath Quays North and South, as well as further enhancing the connectivity of Bath to its river through the Quays Waterside project.

Funding Stream	Scheme Promoter / Grant recipient	Scheme Name	Current Funding Allocation £m (LGF/EDF/RIF)	Scheme Description
LGF	Bristol City Council	Cattle Market Demolition Works	£0.9	Demolition of the former Post Office Sorting Depot building to clear the site and prepare it for development and increase its market attractiveness.
LGF	North Somerset Council	FoodWorks ^{SW} Innovation Centre	£11.8	First phase development of a Food and Drink Technology Centre at J21 Enterprise Area, to offer end-to-end product development and testing service to food and drink producers, including incubation space for start-ups and growing businesses.
LGF	Bristol City Council	West of England Sustainable Transport Package 17/18	£4.6	The programme focusses on improving walking and cycling links, giving greater priority to public transport and creating high quality public spaces that will encourage retail and tourism activity. It also aims to alleviate local pinch points that exist on the transport network.
LGF	Bristol City Council	Portway Station	£0.5	Provision of a new un-manned single platform rail station adjacent the existing Portway Park and ride site on the Severn Beach Line.
LGF	British Engineering Manufacturers Association	Increasing the Capacity of the BEMA Training Centre	£0.1	An expansion of the existing BEMA Machine Shop, located in Yate, to respond to unmet learner and employer demand for apprenticeship provision.
LGF	Weston College	Construction Skills Training Centre	£3.3	The creation of a highly industry-focused Infrastructure Construction Skills Centre to address the shortage of infrastructure construction and civils skills training in the WE LEP area in response to employer demand.
LGF	Weston College	Health and Active Living Skills Centre	£5.4	A training centre blending skills for health and social care with the wider health prevention and condition management agenda, delivered in one building and benefitting from existing facilities already on-site at the University Campus.
LGF	Bath University	Institute of Advanced Automotive Propulsion Systems (IAAPS)	£10.0	A world-leading centre of excellence, for research and innovation into future advanced propulsion systems. Open to universities and businesses, it would be the catalyst to develop future generations of ultra-low emission vehicles.
LGF	Bristol Music Trust	Colston Hall Phase 2 Transformation Project	£5.0	A project which would transform existing facilities, into a modern, sustainable, music and learning centre, allowing the hall to become a world-class entertainment venue of national significance.
LGF	Watershed Arts Trust Limited	Bristol Virtual Reality Lab	£0.3	A new facility for the development of skills, content and applications in Virtual Reality (VR) and Augmented Reality (AR) – establishing a new WoE innovation cluster around emerging immersive technologies.
LGF	North Somerset Council	Weston Super Mare Town Centre Transport Enhancement Scheme	£1.5	Improvements to public transport and cycling provision including the creation of a bus interchange.
LGF	University of Bristol	Quantum Technologies Hub	£15.0	Funding to acquire the land for the construction of a centre for the engineering and commercialisation of practical quantum computers and integrated photonic quantum technologies. State of the art development will enable the design and manufacture of quantum devices for secure communications, new sensors and ultra-powerful computers.
LGF	Bath & North East Somerset Council	A39/A368 Marksbury Junction Improvements	£0.7	Junction improvement scheme at A39 Bences Garage junction in Marksbury, to alleviate the severe congestion during peak hours and to support growth in Somer Valley and Keynsham, as well as growth in Bath and outside of the BaNES boundaries to the South and West (Somerset/North Somerset).
LGF	South Gloucestershire Council	Grow-On2 Temporary Buildings	£1.0	Temporary and additional Grow-On space at Bristol and Bath Science Park, BBSP, to accommodate the increasing demand of organisations to be located at the site.

Funding Stream	Scheme Promoter / Grant recipient	Scheme Name	Current Funding Allocation £m (LGF/EDF/RIF)	Scheme Description
LGF	South Gloucestershire Council	Aerospace Bristol (formerly Bristol Aerospace Centre)	£1.7	Construction of an aerospace industrial heritage museum and learning centre, with a new building for Concorde, at the Filton Enterprise Area to showcase Bristol's innovation, design and engineering at an international level.
LGF (was EDF)	South Gloucestershire Council	Bromley Heath Viaduct Maintenance and Improvement Programme	£2.8	The structural repairs and upgrading for safety, pedestrian and cycling provision on the viaduct on the A4174. The EDF funding will shorten the duration of the works from 52 weeks down to 33 weeks, reducing congestion and diversion impacts
LGF	South Gloucestershire Council	SGC Flagship - Purchase of land at Bristol & Bath Science Park	£5.0	Funding for SGC in response to a bidding opportunity to the Homes and Communities Agency.
LGF	Bath & North East Somerset Council	Bath Quays Phase 1a (South)	£8.8	A project to deliver enabling infrastructure, development of over 50,000 ft2 of new offices, some 40,000 ft2 of Creative Workspace with some retail on the south side of the river at Bath Quays.
LGF	Bath & North East Somerset Council	Bath Quays Phase 1b (North)	£1.8	The relocation of an existing coach park, situated in the Bath Quays North development site, to the Odd Down Park & Ride facility. The enabling works will see the Bath Quays North site vacated for development whilst delivering an alternative coach park facility.
LGF	Bath & North East Somerset Council	Keynsham Town Centre Improvements	£1.5	Provision of a permanent one-way high street which prioritises and dedicates space to walking and cycling and transforms the public realm.
LGF	University of Bristol	NUCLEATE	Pipeline Project	Facility to provide research, incubation and office space tailored to innovation focussed research and development activities within the nuclear energy sector.
LGF	South Bristol Construction Centre	South Bristol Construction Centre	£6.0	A new advanced construction skills centre in South Bristol which is capable of providing skilled workers for significant regional infrastructure projects. The Centre will also provide more traditional training routes to service the large number of building firms and small traders located in the south of the city.
LGF	Weston College	Animal Management	Pipeline Project	Construction of a specialist facility to meet the skills needs of the visitor economy and land-based sectors in the region.
LGF	North Somerset Council	Weston-super-Mare Sustainable Travel Improvements	£1.8	Improvement to transport links within and to Weston-Super-Mare town centre, focussing on improving walking and cycling links and giving greater priority to public transport .
LGF Pipeline	Bristol City Council	A4108 Corridor Improvements	£1.6	The design and delivery of transport measures for the A4018 corridor to mitigate the impact of the Cribbs Patchway New Neighbourhood housing development, providing junction improvements at Crow Lane roundabout and Charlton Rd junction which will encourage greater use of sustainable modes of transport along the corridor and improve existing road layouts.
LGF Pipeline	South Gloucestershire Council	Bristol and Bath Science Park Grow On Centre (GO2)	Pipeline Project	Provision of Grow On Space at the Bristol and Bath Science Park at the Emersosns Green Enterprise Area
LGF Pipeline	South Gloucestershire Council	High Value Design Innovation Centre	Pipeline Project	The High Value Design Innovation Centre building is at the centre of a 20-year masterplan for the redevelopment of the Filton Airfield. The HVD building, will be a national focal point for aerospace engineering research and development in the UK, providing professionals, engineers and the public with with places to meet and socialise and collaborate.

Funding Stream	Scheme Promoter / Grant recipient	Scheme Name	Current Funding Allocation £m (LGF/EDF/RIF)	Scheme Description
LGF Pipeline	South Gloucester and Stroud College	STEM Centre	Pipeline Project	The creation of a sub-regional Science, Technology, Engineering, Arts and Maths Hub at the WISE Campus. This would also provide additional space for the Cyber Security provision and allow the decant of A Level provision from the A38 site freeing up space for wider learner growth there.
LGF Pipeline	Bath College	Catering & Hospitality Education and Training Hub	Pipeline Project	Refurbishment of the College's Roper building to a Hub providing industry standard, specialist training facilities to keep pace with the growing hopsitatlity and catering sector demand in the area.
LGF Pipeline	Bath College	Digital and Creative Innovation Centre	Pipeline Project	A new Centre at the College's campus in Bath city centre to provide innovative and felxible learning space closely integrated with pre-incubation space to help take emerging ideas to realisation.
LGF Pipeline	Helicopter Museum	Vertical Growth	Pipeline Project	Project to replace the current structurally failing Vistor Centre building with a new larger purpose built Centre.
LGF Pipeline	Curzon Cinema and Arts / Clevedon Chamber of Commerce	Clevedon Creative Quarter: Creative and Digital Business Hub	Pipeline Project	The project involves the acquisition and refit of Waverley House which adjoins the Curzon Cinema to provide a samll business/creative hub with meeting and community space. Through the development the project would seek to establish a virtual creative sector network and develop wider partnership networking with key exisiting creative and business support bodies.
LGF Pipeline	Centre for Modelling and Simulation	Artificial Intelligence Laboratory for Manufacturing (AiM)	Pipeline Project	The project seeks to acquire and commission an artificial intelligence laboratory at the CFMS premises at the Bristol and Bath Science Park and to build data sets that start-ups can use to develop industry ready AI solutions to enhance manufacturing productivity.
EDF	Bristol City Council	The Bristol Arena	£53.0	Design and delivery of a multipurpose indoor entertainment arena, to be located on the former diesel depot site (Arena Island) adjacent to Temple Meads railway station in central Bristol.
EDF	Bath & North East Somerset Council	East of Bath Transport Package	£6.5	New Park & Ride provision and bus priority to improve accessibility to Bath city centre and the Enterprise Area.
EDF & LGF	North Somerset Council	North Somerset Enterprise Technical College	£3.7	Funding for specialist equipment and fit-out required to meet the business/vocational aspirations of the scheme and for construction of the Motor Sports Centre.
EDF & RIF	South Gloucestershire Council	A38/A4174 Widening Works & Gypsy Patch Lane	£2.2	Package of transport schemes on the A38 supporting access to Cribbs Patchway New Neighbourhood and Filton Enterprise Area.
EDF	South Gloucestershire Council	MetroBus Extension to Cribbs Causeway	£34.0	Extension of MetroBus services to run between The Mall and Bristol Parkway via the Cribbs Patchway New Neighbourhood and Filton Enterprise Area.
EDF	South Gloucestershire Council	Avonmouth Severnside Ecology & Flood Development Costs	£1.9	Phase 1 design and development works of the Avonmouth Severnside Flooding and Ecology works.
EDF	South Gloucestershire Council	Avonmouth Severnside Enterprise Area Flood Defences	£60.0	Flood defence works (coastal and fluvial) along Avonmouth Docks to protect development sites within the area.
EDF	South Gloucestershire Council	Avonmouth Severnside Enterprise Area Ecology Mitigation	£5.8	To create a series of wetland reserves within the industrial landscape of Avonmouth Severnside surrounding the villages of Severn Beach and Pilning, in order to provide high tide roosts for European waterfowl for which the Severn Estuary is designated as a European Special Protection Area (SPA) Site.
EDF	Bristol City Council	Invest in Bristol and Bath	£5.0	A five year funding package to maintain a strong investment promotion service for the LEP area that creates jobs by attracting new businesses and private sector investment.

Funding Stream	Scheme Promoter / Grant recipient	Scheme Name	Current Funding Allocation £m (LGF/EDF/RIF)	Scheme Description
EDF	Bristol City Council	Temple Quarter Enterprise Zone Programme Team	£2.5	Co-funding with delivery partners of a programme team to support the accelerated delivery and ensure early collaboration and a joint vision for the Bristol Temple Quarter Enterprise Zone.
EDF	Bath & North East Somerset Council	Bath Quays	£36.0	New grade A office quarter for Bath to deliver required critical mass of modern office development, supporting development for the Riverside Enterprise Area'.
EDF	Bath & North East Somerset Council	Bath Riverside Enterprise Zone Team	£0.7	To ensure the successful delivery of target economic outputs - business rates, jobs and office space - the project seeks funding for a team to ensure the Zone is appropriately promoted towards target audiences. The team will be responsible for bringing forward key identified economic sites and influencing private development by creating strong public and private sector partnerships to set a development precedent across the Enterprise Zone.
EDF	Bristol City Council	Central Bristol & TQEZ Flood Defence	£10.0	Scheme in development
EDF	Bristol City Council	M32 Park & Ride	£20.0	Scheme in development
EDF	North Somerset Council	NSC Flagship	£23.0	Scheme in development
EDF	North Somerset Council	Avoncrest & Hutton Moor Regeneration Phase 1	£15.0	Remediation of the Avoncrest site, provision of highways access and pedestrian/cycle measures, and reconfiguration and extension of leisure facilities at Hutton Moor centre as part of a wider regeneration programme to reconfigure the interface between the J21 EA and Weston Town Centre.
EDF	South Gloucestershire Council	M49 Junction and Link Road	£22.0	Scheme in development
EDF	South Gloucestershire Council	M32 Junction 1	£0.8	Scheme in development
RIF & EDF	Bristol City Council	TQEZ Infrastructure Programme	£20.9	A package of transport infrastructure to improve access to the Bristol Temple Quarter Enterprise Zone.
RIF	North Somerset Council	Weston Super Mare Strategic Flood Scheme	£8.5	Flood mitigation for J21 Enterprise Area
RIF	North Somerset Council	Dolphin Square	£0.5	Public realm and highway, Weston- Super- Mare
RIF	Bath & North East Somerset Council	Bath Quays waterside	£6.1	Flood relief scheme, supporting development for the Bath City Riverside Enterprise Area.
RIF	Bath & North East Somerset Council	Bath Western Riverside- Destructor Bridge Renewal	£1.8	Bridge infrastructure, supporting development for the Bath City Riverside Enterprise Area.
RIF	Bath & North East Somerset Council	Gas holder decommissioning scheme	£4.1	.Demolition of gas holders in Bath and associated remediation works, supporting development for the Bath City Riverside Enterprise Area
RIF & LGF	Bath & North East Somerset Council	Saw Close Public Square Bath City Centre	£1.08	Funding to deliver improvements to the public highway and footways of Saw Close and the adjacent area of Upper Borough Walls to complete the Saw Close development public realm works, supporting development for the Riverside Enterprise Area.
RIF	Bristol City Council	Filwood Green	£6.2	Green business park in Filwood with new enterprise workspace (3700m2) at Hengrove Way Filwood Bristol
RIF	Bristol City Council	Gainsborough Sq	£0.8	Public realm and highway improvements to the Square and roads at Gainsborough Square, Lockleaze Bristol
RIF	Bristol City Council	South Bristol SUD ERDF Intermediate Body	£0.05	Establishment of an Intermediate Body for the management and administration of the EU's Sustainable Urban Development (SUD) to focus on regeneration areas in South Bristol.
RIF	North Somerset Council	J21 Outbound	£0.4	Improvements to motorway junction 21 at Weston- super-Mare
RIF	North Somerset Council	Weston-super-Mare Co-working Hub	£0.5	Development of a creative hub in the town centre of Weston-super-Mare to act as a catalyst and incubator for micro enterprises in the creative & digital sector.
RIF	North Somerset Council	Junction 21 Northbound Merge	£0.5	Highway improvement scheme to increase capacity on the northbound slip road onto the M5 in the morning peak by increasing the traffic lanes from 1 to 2.

Funding Stream	Scheme Promoter / Grant recipient	Scheme Name	Current Funding Allocation £m (LGF/EDF/RIF)	Scheme Description
RIF	North Somerset Council	Junction 21 Queensway Junctions	£2.1	Highway improvement scheme to reduce inbound congestion at Junction 21 of the M5. Removal of two existing signal controlled T-junctions in favour of un-signalised roundabouts incorporating twin lanes through the roundabouts. There will also be two signalised cycle and pedestrian crossings.
RIF	Bath & North East Somerset Council	Somerset Valley Commercial Delivery Framework	£0.05	Production of a Commercial Delivery Framework which will define the delivery strategy for the Somerset Valley Enterprise Zone taking into account market conditions and technical utility and infrastructure issues that will aid in the master-planning and production of design guidance for the site.
