

WHO AM I?

Verse 1

Who am I, a humble servant girl?
Who am I, that you would favour me?
Though I was young and so afraid,
You have brought me peace
Who am I that you would love me?

Verse 2

Who am I that you would look on me?
What have I to offer unto thee?
Though I was lowly, frail and more,
You gave heaven to the poor
Who am I, mother Mary

Chorus

I am blessed
By heaven overshadowed
Life will never be the same again
I am blessed
To bear the Father's mercy
The Son of the almighty here with me

Bridge

Your promise held through generations
Your plan to rescue here at last
You remembered Israel
Your people, You have made heirs
