

# UKIHF PLAYER DEBT REPORT

As part of our commitment to fair play, responsibility, and operational sustainability, the UKIHF will be enforcing a strict policy regarding unpaid player debts.

Any player who has outstanding debt to any UKIHF registered club for hockey related activities will be ineligible to participate in UKIHF events until the matter is resolved. This applies across all UKIHF regions and divisions.

Where an attempt by a Club to recover debts has failed, that Club must report unresolved player debts on this form, which should be forwarded to the regional league committee. The committee will review each submission, and then either advise or attempt to resolve the issue regionally, or where that fails, report it to the UKIHF committee. The player may then be blacklisted and prevented from playing in any UKIHF event until the debt is cleared.
