As a result, and without limiting the generality of the above, You agree to indemnify Us against any and all actions, claims, costs, damages, demands, expenses, liabilities, fines, sanctions, losses and proceedings We directly or indirectly incur or which are brought against Us if You, or any User, have acted fraudulently, been negligent, failed to comply with Your legal obligations, or have misused the Card or any of the Services.

in Your name and for Your account with the Bank (including for the transfer of Your and Users' Personal Data (as defined in clause 9.1 below) on your behalf and acceptance of the Bank Contractual Documents), except that We shall not interfere in the payment to be made to the E-Money Account. 2. Delegations.

Such permissions may be grouped by Us into permissions sets, so that powers may be delegated in accordance with the permissions included in such sets. In that case, the Owner may not select in his/her discretion the combination of powers/permissions that he/she wants to delegate, and (ii) the persons to whom such powers are delegated may be called in accordance with the terminology determined by Us from time to time in Our discretion ("Administrator", "Requester", "Controller", etc.). All references to the Owner, in any clause of the Terms, are deemed to include references to the persons to whom the Owner has delegated the power to take the action contemplated by such clause.

5. Obligations of Users.

Any User must: (a) maintain the confidentiality of their Credentials to access the Platform; (b) disclose his or her true identity when subscribing to the Services (no alias, etc.); (c) not breach or attempt to breach the security of the Platform and related systems including, without limitation, accessing or attempting to access any data not intended for such User; (d) refrain from interfering with the proper operation of the Platform or take any action which is likely to cause any Services to be interrupted or degraded; (e) not use the Platform or any other Services or Cards other than for lawful purposes relating to legitimate business activities; and (f) not exceed the maximum balance limit on each Card.

4. CARDS

1. Issuance by Bank.

Cards are issued by the Bank at the Owner's request acting on Your behalf, subject always to Your registration with Us and acceptance of the Terms and the Bank Contractual Documents. Cards are issued at the Bank's discretion at all times. We will not be responsible for any rejection or delay by the Bank to issue the Cards.

2. Application.

Subject to compliance with the Terms and the Bank Contractual Documents, Cards are issued only if the application is submitted via the Platform and in accordance with the modalities set out on the Platform (e.g., including the answers to all questions on Users's identification details), as they may vary from time to time. We will arrange for the distribution of Cards issued by the Bank directly to the relevant Owner.

3. Card Management.

The management of the Account and of the Cards, including the determination of the electronic money to be allocated to each Card, is Your sole responsibility and at Your sole risk. You must in particular see to it that there is no Shortfall at any time. We will not be liable for any loss incurred as a result of errors made by You or the Users.

4. Our Role In Relation To The Cards.

All Your and the Users's rights and obligations in relation to the Cards are subject to the Bank Contractual Documents and Our only role, through the Platform, is to facilitate communication between You and the Users on the one hand, and the Bank on the other hand in relation to the Cards (application process, registration, funding, requests for additional Cards, Cards distribution, etc.).

5. Card & ATM Fees.

All Card Fees will be charged directly to the Card which incurred the charge and will be automatically deducted from that Card, in accordance with the Card Terms and Conditions. Card Fees may vary from time to time in accordance with the Card Terms and Conditions. We will notify You in advance of any changes shortly upon receipt from the Bank of all relevant information. ATM fees and foreign exchange charges are charged directly to the Card at the time of Transaction. Surcharge ATMs will make a charge in addition to any Card Fees, as set out by the ATM provider. This will also be automatically deducted from the balance of the Card at the time of withdrawal. If there is a Shortfall (e.g., as a result of a variation of the applicable forex rate between the time of the payment and the time of the settlement of the payment), Card Fees (plus any Transaction Charges) applied to Cards shall be reimbursed by You directly on demand. We may at Our sole discretion use available electronic money on the Account to cover any outstanding Shortfall on such Cards.

6. Lost & Stolen Cards.

We will not be liable for any loss caused or suffered as a result of lost, stolen or unauthorised use of a Card. If a Card is lost or stolen, some or all of the value of the electronic money on the Card may be lost. Our role will be limited to provide You with a reasonable assistance in challenging unauthorised payments and seeking refunds in accordance with applicable laws and the Card Terms and Conditions.

7. Unauthorised Transactions.

If the Owner or any User reasonably believes that any Transactions on the Account or the Platform were not authorised or have been posted in error, or an unauthorised third party has gained access to the Platform (a "Disputed Transaction"), the User should immediately notify Us and provide sufficient details to enable Us to investigate the Disputed Transaction. You or the User will be liable for any loss arising from a Disputed Transaction as a result of the Owner or any User's failure to keep his/her credentials in the strictest confidence or to comply with the Terms and the Bank Contractual Documents. In Our capacity as communication channel between You and the Bank, We may not and do not assume liability for Disputed Transactions. Your rights in respect of Disputed Transactions shall be against the Bank and shall be subject to mandatory rules of law and the Cards Terms and Conditions. If it appears that the Bank's liability to You results from Our negligence, We will indemnify You in accordance with such rules and terms and conditions, on behalf of the Bank provided that the Bank agrees to so settle the dispute.

8. Redemption from Card.

Subject to the payment of any appropriate Charges, the Owner may request redemption of unspent electronic money (in whole or in part) on a Card at any time. This request shall be made through the Platform. Such electronic money will be removed from the Card balance and credited to the relevant Account. Redemption of the electronic money is subject to the Bank Contractual Documents.

9. Cancellation.

Owners may cancel a Card via the Platform at any time in accordance with the Card Terms and Conditions. On cancellation of a Card for any reason, We will not be liable for any electronic money already spent on the Card prior to any valid request to cancel. Any unspent electronic money allocated to the Card will be returned to the relevant Account. It is Your responsibility to see to it that Cards are cancelled in due time (e.g., when a User leaves Your organization).

5. FUNDING

1. Loading Card.

Cards are loaded with electronic money credited to the Account upon Your request through the Platform and in accordance with the instructions set out at the appropriate section of the Platform. The electronic money allocated to the Card(s), as requested by Users, will be allocated directly and immediately from the Account.

2. Funding.

No electronic money may be allocated to and loaded on any Card in excess of the Account Balance at the time of the allocation. The User may load additional electronic money to the Account to the extent of payments made by bank transfer to the E-Money Account. To that effect, the User must include the relevant Corporate Account number as the reference, and follow the instructions set out at the appropriate section of the Platform.

3. Funding Permissions.

Instructions to allocate electronic money to any Card must be authorised in accordance with the parameters set by You on Your Account via the appropriate section of the Platform. Depending of the roles and permissions set by the Owner, Users may access information about Account Balances, Charges, Card Balances, Card transactions and Card fees via the Platform.

6. PAYMENT OF CHARGES

1. Fees & Invoices.

You must pay to Us the Fees disclosed on the Platform in relation to the Services for which Users have registered, depending on the Services subscribed to by the Users and the applicable Services plan. Our invoices for the Fees shall be available on the Platform.

2. Allocation to Accounts.

All Charges shall, when payable, be charged directly to the relevant Account and will be automatically deducted from that Account. If You have several Accounts and Your debt is not inherent in a particular Account, We may decide in Our discretion to charge in whole or in part any of Your Accounts.

3. Insufficient Balance.

In the event where the Account Balance is not sufficient to cover and pay Charges, You will no longer be able to issue new Cards or to use already issued Cards.

4. Disputed Charges.

If You dispute any Charges, You must let Us know within thirty (30) days after the date that We invoice You. You will lose the right to claim if You fail to do so.

7. TERMINATION

1. Termination.

The Agreement is made for an indefinite period. Either party may terminate the Agreement at any time upon 15 days written notice to the other party. We may terminate Our agreement with You at any time and without notice if You, the Owner or any User fail to comply with these Terms or with the Terms and Conditions of the Card, or if the Bank ceases to issue Cards for any reason. Any termination of the Agreement, howsoever caused, shall be without prejudice to any obligations or rights of either of the parties which may have accrued prior to termination or expiry and shall not affect any provision of the Agreement which is expressly or by implication intended to come into effect on, or to continue in effect after, such termination or expiry.

2. Termination upon Redemption.

Subject to the payment of any appropriate Charges, the Owner may request a redemption of unspent electronic money on an Account at any time by contacting Spendesk in accordance with section 9.4. Such electronic money will be debited from the Account Balance and the E-Money Account and will be wire transferred to the bank account opened in Your name as indicated by You during the Registration process (as may be subsequently changed by You if such change has been notified to Us in accordance with section 9.4). A request for redemption of electronic money (i) shall be deemed to apply to all the electronic money standing to the Account, with the express exclusion of any partial redemption, (ii) will constitute termination of the Account and of this Agreement, and (iii) Spendesk will use its best efforts to transmit the repayment order to the Bank and ensure the redemption of funds within 15 business days, upon reception of the request for redemption.

3. Consequences of Termination.

On termination of the Agreement, the Account and Services will be cancelled and suspended in their entirety. You shall cease to use the Services, in any manner, and We shall not have any obligation to act upon any of Your request (e.g., for the distribution of new Cards, the allotment of electronic money to any Account or Card, etc.). All Your Accounts will be closed and the electronic money available on Cards will be debited from the Cards and repaid to You. Repayment of the balance of Your electronic money is to be made by the Bank by debiting the E-Money Account, and We assume no responsibility whatsoever for a default of the Bank to make such repayment when due.

8. LIABILITY

1. Exclusion of Liability.

We shall not be liable to You (i) for loss of business, loss of profits, loss of data, loss of reputation or goodwill, regulatory fines or sanctions incurred by You, or for any form of indirect loss, whether arising from negligence, breach of contract, tort, breach of regulatory or statutory duty or otherwise even if We had been advised of the possibility of such losses, (ii) in respect of any failure by or insolvency of the Bank, and (iii) in any way for any interest or claims of any third parties in respect of the Account and/or the Cards, except as required by law or regulation.

2. Limitation of Liability.

When We are liable, Our total liability to You under the Agreement will be limited in aggregate to the Charges paid to Us by You during the calendar year immediately preceding the calendar year in the course of which the event triggering Our liability has occurred.

A waiver (which may be given subject to conditions) of any right or remedy provided under this Agreement or by law shall only be effective if it is in writing. It shall apply only to the party to whom it is addressed and for the specific circumstances for which it is given. It shall not prevent the party who has given the waiver from subsequently relying on the right or remedy in other circumstances. Unless specifically provided otherwise, rights arising under this Agreement are cumulative and do not exclude rights provided by law.

6. Severance.

If (part of) a provision of the Terms is found illegal, invalid or unenforceable, the parties shall negotiate in good faith to amend such provision such that, as amended, it is legal, valid and enforceable, and, to the greatest extent possible, achieves the parties' original commercial intention.

7. Governing Law.

This Agreement and any dispute or non-contractual obligation arising out of or in connection with it shall be governed by, and construed in accordance with laws of France.

8. Dispute Resolution.

In case of dispute between You and Us in relation to the Services, the Courts of Paris shall have exclusive jurisdiction. This is without limitation of the right of either Party to seek the mediation of competent mediation services with a view to settling the dispute amicably.
