1XV Coaching Position

Crieff and Strathearn RFC are currently on the lookout for a head coach for their men's 1XV. We are a community club with high aspirations for success and development both on and off the pitch. After a number of years of transition, we are looking for a committed and passionate individual to lead and develop our squad of local players. We currently have one senior men's team which compete in Caledonia Midlands Division 3, an emerging women's contingent and a number of minis teams through numerous age grades.

Key job requirements:

- Rugby coaching qualification, or evidence of working towards one
- Experience in a similar coaching position is advantageous however role may suit a candidate looking to build experience in senior coaching.
- Enthusiasm and commitment to provide rugby within the local community

Key responsibilities:

- Planning and delivering training sessions twice per week
- Attending and leading the 1XV on match days
- Overseeing 1XV team selections
- Working closely with captain and committee members
- Liaising with players to ensure the strongest teams are fielded on match days
- Attending monthly committee meetings to represent the 1XV

There is potential for the club to support a suitable candidate's development through SRU training courses. Please send all notes of interest to Club President Trystan Powell at the details below.

Yours sincerely

Trystan Powell
