

Dunbar Rugby Football Club

Vacancy – Physiotherapist

Dunbar Rugby Football Club 1st XV is in the East Region 2 League, occasionally hosts a 2nd XV and have approx. 300 youth members from P1 – U18. We take development, health and welfare of our players and members at the top of its priorities. Each team is fully supported by the management committee and coaching staff.

We are looking for a physiotherapist to cover 1st XV match days and run one or two clinics per week for S1 – Adult Team players. We have a separate physio room which is available for use.

This is an ideal opportunity for a physiotherapist wishing to consolidate his/her skills and gain experience working with sport related injuries.

We are looking for the following:

- The ideal candidate will possess strong communication and interpersonal skills.
- Be available for 1XV matches on a Saturday (home & away) and attend with the team.
- Carry out pre match assessments and supportive strapping.
- Assess the condition and initiate the timely removal of players for further medical assessment and treatment.
- Carry out any post-match physiotherapy assessment, treatment and advice as required.
- Complete compulsory SRU documentation and keep full professional clinical documentation on each player seen.
- Carry out physiotherapy clinics at the club two evenings a week (currently Monday & Thursday), including supporting players with rehabilitation programmes.
- Maintain first aid equipment and medical bag and advise committee on any medical equipment required.
- Communicate effectively with coaches and player on players fitness to return to play.
- Communicate effectively with parents of youth members and show an active interest in the physical development and injury prevention of this group of players.

Qualifications:

- All applicants should be full members of the Chartered Society of Physiotherapy (CSP) and HCPC registered
- All applications from new graduates will be considered. New graduates working towards their Bronze ACPSEM accreditation are preferred.

Remuneration based on match days and clinics supported.

Please send your CV and covering letter to Justin Pearce at justin@jmpselection.co.uk
