

Greenock Wanderers RFC  
75 Octavia Terrace  
PA16 7SP  
01475 632702

Greenock Wanderers is looking for an enthusiastic and energetic individual to take the role of Ladies Head Coach and become a part of our coaching set up at Fort Matilda. Becoming part of the team and buying into the ethos of the club is very important.

We are an ambitious club with a long history and this season we fielded three senior men's and one senior women's side. We also have an Academy set up and a full time Regional Development Officer working closely with our junior sides which covers P1 to U18 age groups.

A playing structure is already in place at the club, with each team working towards playing the same brand of rugby.

As a minimum, you should have a UKCC Level 2 qualification, be able to attend two training sessions per week and one weekend game, as well as being committed to planning and delivering quality coaching to our players and assistant coaches.

Applications should be sent to [johnedyer@hotmail.com](mailto:johnedyer@hotmail.com) in the form of a CV.

Please note that this post is not remunerated however the Club will financially support anyone looking to progress to UKCC Level 3 and provide travel expenses as appropriate.
