The background of the image is a stylized map. The top half is a solid red color, while the bottom half is white with a grey grid pattern representing city streets. A dashed red line with circular markers at each point connects four locations across the map, starting from the left and moving towards the right. The izi.TRAVEL logo is positioned in the lower right area, with 'izi.' in red and 'TRAVEL' in dark blue. Below the logo, the text 'the storytelling platform' is written in a smaller, grey font.
