## MACH 8 ROUGHNECK<sup>™</sup>

### ROOFTOP AIR CONDITIONER

The air conditioner that's  
**built tough**  
to take it.

When it comes to air conditioners, power and strength do not necessarily mean the same thing.

The Mach 8 Roughneck is specially equipped to handle the jarring and vibrations that come with the territory, whether you're in construction, the oil field or just taking the back roads to your favourite fishing hole. The Mach 8 Roughneck: a unique machine with power and strength.

The Mach 8 Roughneck has a 3,10 KW cooling capacity allowing you to cool down a 30 cbm volume.

The Mach 8 Roughneck also comes with an electrical heater of 1600 W.

Optional anti-corrosion treatment available.  
54°C maximum outside temperature.
