

# MARINE MACH<sup>™</sup>

## ROOFTOP AIR CONDITIONER

The air conditioner that's  
*built tough*  
to take it.

Built with protection against the added vibration and saltwater corrosion experienced on the water, the Marine Mach<sup>™</sup> is an investment in quality you can rely on.

The The Marine Mach<sup>™</sup> has a powerful 3,95 KW (13.500 BTU) nominal cooling capacity and is equipped with a 1,6 KW heating that will take the chill off your cabin. The Marine Mach<sup>™</sup> is build by the leading maker of RV air conditioners.
