MagniLink Zip

ACCESSORIES

ACCESSORIES FOR

MagniLink Zip

XY-table, integrated / non-integrated

Product code: A (integrated)* / MLRT-XY (non-integrated)

MagniLink Zip integrated or non-integrated X/Y table with friction brakes X- and Y-wise for convenient reading.

Battery

Product code: B*

With a built-in battery, MagniLink Zip can be used for up to 5 hours without being connected to a power outlet. Battery type: Li-Ion-Akku. Required cables are included.

USB/HDMI connection

Product code: C*

MagniLink Zip needs to be ordered with this option from the start, if computer connection (required for EUC/TTS software) is desired.

Software (PC/Mac)

Product code: D**

Software for computer connection, including USB/HDMI for PC/Mac.

TTS Software (PC/Mac)

Product code: E (PC) / F (Mac)
(MLS-A102** / MLS-A102MAC)**

Software for computer connection, including USB/HDMI for PC/Mac.

* May only be ordered with the system from the start.

** May only be ordered separately if the system was ordered with accessory C from the start. If ordered separately, please enter the product code in parentheses.

MagniLink S

ACCESSORIES

ACCESSORIES FOR

MagniLink S

External control panel Small

Product code: MLS-A100

External control panel with large high contrast tactile buttons for easy control of the reading/distance camera.

External control panel Large

Product code: MLV-A110A

External control panel with large high contrast tactile buttons for easy control of the reading/distance camera. Included with docking station C1, C2, C3.

Docking station (Papersize up to A3)

Product code: C1 (DVI) / C2 (HDMI)
(MLS-A101 / MLS-A101SPLIT / MLS-A101CLAMP)*

X/Y-table with rotatable stand and cables for PC/monitor (DVI / HDMI). External control panel, monitor cable and power adapter included. Available without reading table (C3).

LVI monitor 18,5" with Power supply**

Product code: MLS-A103

High quality monitor from LVI, developed for low vision users. It offers antiglare glass, excellent sharpness and contrast, light edges and a design that goes with your MagniLink S. HD (720p).

LVI monitor 23" with Power supply**

Product code: MLS-A104

High quality monitor from LVI, developed for low vision users. It offers antiglare glass, excellent sharpness and contrast, light edges and a design that goes with your MagniLink S. Full HD (1080p).

* If ordered separately, please enter the product code in parentheses.

**Monitor arm/monitor foot needs to be separately ordered – see page 6.

Two-in-one carrying case

Product code: MLS-A105 (included when shipped)

Clever 2-in-1 carrying case that fits your MagniLink S. The larger case has enough room for both the MagniLink S, a 15.4" laptop and your other stuff. The smaller case can be used separately. Details in contrasting orange colour.

Monitor arm

Product code: T005

Robust, flexible monitor arm, suitable for LVI monitors (MLS-A103/MLS-A104). Table clamp is included.

Monitor foot

Product code: MLV-A115

Rotatable, height adjustable monitor foot, suitable for LVI monitors (MLS-A103/MLS-A104).

A4 Reading Table

Product code: MLRT

A portable stylish external reading table, easy to bring along wherever you go. Paper size: Up to A4.

Splitbox

Product code: Contact LVI

Hardware splitbox for MagniLink S MLS-HD / MLS-FHD models. Splits the image between distance camera, reading camera and a monitor/computer. External distance camera can be connected. Comparable with MagniLink Vision Split systems.

MagniLink iMax

Product code: MLIMAX

MagniLink iMax is a magnifying software for Mac. Used with our video magnifiers, MagniLink iMax gives the Mac user a complete and unique low vision aid solution. High-quality Text To Speech voices from iVox v4 included.

Text to Speech function

Product code: TTS-PC / TTS-MAC

Text reader for MagniLink S MLS-HD / MLS-FHD. Menus with voice-feedback. Reads any text out loud and presents it by sentence, word or paragraph. Increases users' reading speed and endurance.

Additional voices for TTS (PC)

Product code: BE, DK, NL, AU, UK, US, FI, FR, IT, DE, NO, PL, PO, BRPO, RU, ES, MEES, SE

Additional languages TTS-PC. Note that your local language and English are always included.

Available languages:

Belgian Dutch (Ellen), Danish (Magnus, Sara), Dutch (Claire, Xander), AU English (Karen, Lee), UK English (Daniel, Kate, Oliver, Serena), US English (Allison, Ava, Samantha, Susan, Tom, Karen, Lee), Finnish (Onni, Satu), EU French (Audrey, Aurelie, Thomas), Italian (Alice, Federica, Luca, Paola), German (Anna, Markus, Petra, Yannick), Norwegian (Henrik, Nora), Polish (Ewa, Krzysztof, Zosia), EU Portuguese (Catarina, Joana, Joaquim), Brazilian Portuguese (Felipe, Luciana), Russian (Katya, Milena, Yuri), EU Spanish (Jorge, Marisol, Monica), Mexican Spanish (Juan, Paulina) and Swedish (Alva, Klara, Oskar).

ACCESSORIES FOR

MagniLink **Vision**

LVI monitor 18,5"*

Product code: A1 (MLV-A103)**

High quality monitor from LVI, developed for low vision users. It comes with antiglare glass, excellent sharpness and contrast, light edges and a design that goes with your MagniLink Vision. HD (720p). Stand/foot not included.

LVI monitor 23"*

Product code: A2 (MLV-A104)**

High quality monitor from LVI, developed for low vision users. It comes with antiglare glass, excellent sharpness and contrast, light edges and a design that goes with your MagniLink Vision. Full HD (1080p). Stand/foot not included.

MagniLink Vision 3 knob panel

Product code: B1 (MLV-A106-3)**

Integrated panel for MagniLink Vision monitors with 3 knobs for unrivaled ease of use.

MagniLink Vision 3 push panel

Product code: B2 (MLV-A105)**

Integrated panel for MagniLink Vision monitors with 3 ergonomic, tactile buttons with a soft and yet distinct feeling while pushed. For users seeking easy operation.

MagniLink Vision 5 push panel

Product code: B3 (MLV-A107)**

Integrated panel for MagniLink Vision monitors with 5 ergonomic, tactile buttons with a soft and yet distinct feel. For users looking for maximized control and who wants to get the most out of their MagniLink Vision.

*Monitor arm/monitor foot needs to be separately ordered – see page 11.

**If ordered separately, please enter the product code in parentheses.

External control panel Reading camera

Product code: B4 (MLV-A110A)*

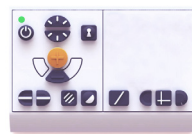

External control panel with large high contrast tactile buttons for easy control of the reading camera. You might find it convenient to use it together with a table mounted holder for external control box (MLV-A116).

External control panel Reading cam/split

Product code: MLV-A110B

External control panel with large high contrast tactile buttons for easy control of the reading camera/split function. Included in MLVSP-systems.

External control panel Read/dist/split

Product code: MLV-A110C

External control panel with large high contrast tactile buttons for easy control of the reading/distance camera/split function. Included in MLVST-systems.

Holder for external control panel

Product code: MLV-A116

Allows the external control panel to be mounted just in front of the table, resulting in extra space on the table.

Monitor arm / foot

Product code: T005 / MLV-A115

Monitor arm: robust, flexible monitor arm. Table clamp. Fits all LVI monitors.

Monitor foot: rotatable, height adjustable monitor foot. Fits all LVI monitors. Very stable.

MLV Hardware split kit

Product code: C3 (MLV-A111A)*

Allows the user to split the image between distance camera, reading camera and a monitor/computer. The solution is comparable with MLV Split systems. Includes external control panel (MLV-110B), hardware split box and cables.

MLV DVI-switch

Product code: C1 (MLV-A100)*

The DVI-switch makes it possible to switch the image on the screen between two different sources, i.e. the reading camera and the computer.

OTHER ACCESSORIES

Mobile reading support

Product code: LM / LS

Flexible support for documents, folders, booklets, pictures and more. Adjustable angle and height. Independent accessories suitable for anyone working with documents.

Weight: 2,0 kg (LM) / 3,6 kg (LS).

Dimensions: 38 x 31 cm (LM) / 40 x 43 cm.

*If ordered separately, please enter the product code in parentheses.

ACCESSORIES FOR

MagniLink **PRO**

Reading table for MagniLink PRO

Product code: A (MLRT-XY)*

A portable stylish external reading table, easy to bring along wherever you go. Paper size: Up to A4.

Battery for MagniLink PRO

Product code: B (ML-BAT)*

Battery that lets you use your MagniLink PRO without a wall-jacket for up to 5-9 hours. Delivered with all necessary cables. Battery type: Li-ion. Charging time: 2,5 hours. Dimensions: 18 x 12 x 1,3 cm.

Text to Speech function

Product code: TTS-PC / TTS-MAC

Text reader for MagniLink PRO. Menus with voice feedback. Reads any text out loud and presents it by sentence, word or paragraph. Increases users' reading speed and endurance. For available languages, see page 7.

*If ordered separately, please enter the product code in parentheses.

MagniLink Table 60 x 80 cm Mechanical

Art nr PV06-01

A table that fits all MagniLink Vision models. Cables can be collected and concealed by using separate cable tray (accessory). The design is ideal for access by wheelchair. The table top in birch laminate is 80 cm wide and 60 cm deep. The table comes with silver stand, and a complete wheel-set, two of these are lockable. Manual height adjustment (61-91 cm). Delivered partially unassembled in flat package.

MagniLink Table 60 x 80 cm Motorized

Art nr PV05-03

This table has the same specifications as the table above, but has motorized height adjustment for maximum comfort, and the stand has single pillar design. Table top in birch laminate. The height can be adjusted between 50 and 83 cm. Supplied pre-assembled.

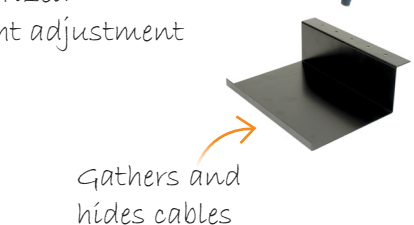

Motorized height adjustment

Cable shelf

Product code: SHELF/TABLE

Shelf mounted under the table. The rack makes it easy to collect and hide the cables under the table. Fits PV06-01 and PV05-03.

Gathers and hides cables

MagniLink Table 60 x 60 cm Mechanical

Product code: F20

F 20 is a convenient table that is easy to place and that goes well with many of our video magnifiers. The working height is easy to adjust and can be adjusted from a 57-79 cm height. Table top size is 60 x 60 cm and a sliding disc is included. The table comes with four stable and robust wheels. Delivered partially unassembled in flat package.

LVI offers a wide range of unique accessories that make our products more useful, more effective and even smarter. An illustrating example is the docking station for MagniLink S with prewired cables on the back that turns the portable MagniLink S into a full video magnifier on the fly. A great solution for anyone who uses the device at different locations. Another example is our TTS software which provides speech output to multiple MagniLink devices, for both Windows and Mac computers.

Our accessories are thoroughly tested and fit our MagniLink products in both function and design. They will also make it easier for you to find a product that really can match your needs and desires.
