**EKA G3**

### EKA G3

With just a one click, the EKA G3 smart blade will switch for a general-purpose cutting! The 3rd generation of the EKA SwingBlade has been perfected in every detail. Solid locking mechanism ensures a safe operation, integrated with just a one click blade switch. Well-designed knife-blade Scandi-grinded for the keenest and most lasting edge, combined with a razor-sharp concave-blade for absolutely a safer, easier and faster opening cut.

#### FEATURES:

- ▶ Polished finish
- ▶ Textured thumb grip on the concave blade
- ▶ Scandi-ground blade primary bevel
- ▶ Smooth thumb grip on the knife blade
- ▶ Ergonomic handle design
- ▶ Lanyard hole
- ▶ Lanyard cordura strap
- ▶ Hinged black cordura belt sheath
- ▶ U.S. Patent Pending Design

*Knife Manufacturers Since 1882*
