

Invitation to IIW 's training programme for

International Welded Structures Designer, IWSD

The course starts with Welding for Designers on October 29, 2017

This IWSD course fulfills the requirements from the International Institute of Welding (IIW) which ensures solid knowledge and educational quality. The course leads to international diploma at two levels: **IWSD-S**, Standard and **IWSD-C**, Comprehensive.

Target audience: Design, Calculation, R&D, Testing, Welding Coordinators, IWS, IWT and IWE.

Course Syllabus

IWSD training course consists of total 7 modules. Each module includes 25 teaching hours and is performed during a three-day meeting.

IWSD-S consists of four modules

- M1: Welding Technology
- M2: Strength of Materials
- M3: Design of Welded Structures
- M7: Fabrication, Costs, Quality and Inspection

IWSD-C consists of above four and below three.

- M4: Design of Welded Joints
- M5: Design of Welded Plate Structures
- M6: Design for Purpose of Welded Structures

Teaching language: Mixed Swedish-English

Location: Main location Växjö – Sweden

Several locations both in Sweden and abroad may be relevant.

Meetings, three-day meetings:

IWSD-S: Week 44 & 48, 2018 and 02 & 06, 2019

IWSD-C: Week 10, 15 and 20, 2019

Examination

Examination is performed by an Examination Committee appointed by the Swedish Welding Commission (IIW-ANB). To be admitted as examinee

requires that the applicant has the entry access condition and undergone IWSD training.

Applicants not fulfilling the entry access conditions may follow the course, but are not allowed entry to the IIW examination.

Course fee

74 000 SEK for IWSD-S (4 modules) and 55 500 SEK for IWSD-C (3 modules) or 119 500 SEK for both IWSD-S and IWSD-C (7 modules) for the same person.

Persons with IWS, IWT or IWE diploma will receive discount on the course fee.

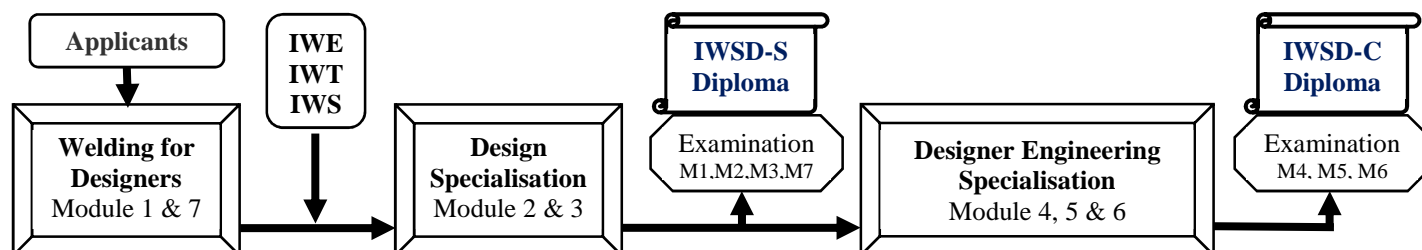

Course fee includes course books, digital OH-materials (PDF), tinning and course certificates.

VAT will be added by 25% (no VAT for Norwegian companies)

Examination fee

Examination fee is currently 5 100 SEK for IWSD-S and 7 100 SEK for IWSD-C or 8 100 SEK for both IWSD-S & -C to the same person.

Examination fee is billed by the Swedish Welding Commission in connection with the examination. VAT will be added by 25%.

Notification dead line: September 28, 2018
