Our Speakers

Udo Paltzer - Product Manager for integration platform technology

Udo Paltzer is a Product Manager for SAP's integration platform technology with focus on process integration and API based integration. Udo has 20 years of experience in the integration domain including cloud and on-premise integration technology. As a product manager Udo supports customers in their cloud integration journey and aligns customer requirements towards SAP's integration platform technology with SAP engineering. Furthermore Udo is a regular speaker at events and individual customer & partner workshops.

Venugopal Chembrakalathil - Product Manager in SAP Intelligent Business Process Management

Venugopal Chembrakalathil is a product manager in SAP Intelligent Business Process Management. He has been working with SAP SE since 2001 in various roles in business process management domain. He is an expert advisor of SAP Intelligent Business Process Management, understand customer requirements, enable customers to automate their business processes and make them successful in their digital transformation journey.

Venugopal is an expert speaker in various SAP events like SAPPHIRE, TechEd and publish blogs to guide SAP customers and partners to understand the value proposition of SAP Intelligent Business Process Management.

Dr. Vadim Klimov - Integration Architect @ARM

Dr. Vadim Klimov is an SAP integration architect and a certified developer who works at Arm (Cambridge, UK), where he is focused on definition of integration strategy and roadmap, SAP integration design principles and implementation of integration solutions using products and services such as SAP PO and SAP Cloud Platform Integration Suite. He also contributes to SAP Community being a technical author and speaker at SAP technology events on SAP integration topics.
