Dear **[Donor's Name]**,

Thanks to you, Sarah and her brother, Jamal, celebrated Sarah's 9th birthday with cake and balloons in a safe and loving place. They are no longer scared and love having their very own rooms.

Thank you for your recent generous gift of \$300 to **[The name of your organization]**. Your willingness to help displaced children in our community weather the crises in their lives makes all the difference for children just like Sarah and Jamal.

Thanks to you, we have provided 100 children just this year with a place to live, learn, and feel safe.

Your donation will help purchase new tablets for our kids over the next three months. The children are eager for the new tablets so that they can do their homework and communicate with friends and family.

These tablets are part of our Campaign that aims to provide the best services for the children. You and other people like you have brought us closer to our goal of \$50,000 for that campaign.

We would love to give you a tour so you can meet some of the 20 staff and 30 children who are now with us. We love to show off our comfy home, and the kids enjoy meeting visitors. One or two might even show you what they can do with their new tablets.

Our development director, is always available to set up a visit for you or to answer any questions you may have. Don't hesitate to call her at **[Phone number of the Development Director]**, or email her at **[Email Address]**.

We would love to keep you in the loop with our emails and newsletter. You can sign up for those at our site,[\[your organization's website link\]](#).

Again, thank you for all you do for our kids. You are a part of their lives too.
Sincerely,

[Your Name]
