

TOTAL QUALITY ASSURANCE FOR TEXTILES AND FOOTWEAR

Intertek's tailored solutions enable retailers, brands and manufacturers of textile products and apparel to ensure the safety, quality and performance of their products. We help retailers and manufacturers uphold quality and safety while ensuring brand loyalty.

Full-scope of services for STJM members

Intertek perform textile testing on items ranging from fabric samples to finished products, including activewear, apparel for children and adults, fashion accessories, footwear, bags, leathergoods and trims for all the good reasons:

- Compliance requirements
- Reducing risks
- Value-adding to your products
- Facilitate your response to customer demand

We are happy to offer 20% discount* to all Suomen Tekstili & Muoti (STJM) members for textiles and footwear testing services at Intertek Softlines laboratories around the world.

(*Terms & conditions apply)

Robust capabilities

With over 40 textiles and footwear laboratories as well as chemical laboratories located in the world, Intertek is trusted by textiles and footwear retailers and suppliers of all sizes.

Apart from testing services, we also offer professional raw materials and products inspection, chemical management solutions, training, advisory and consultation to our customers#.

Partner with us to continuously improve your product quality, better manage your supply chain, or expand your business outside Finland!
