Team Programme Outline

**Day 1: Taster session**
You'll meet the rest of the team and the staff who will be running the programme. This is an informal getting to know you session to see if team is right for you.

**Week 1: Selection Week**
You'll take part in a range of different activities during the week where we can start to plan for your development.

**Week 2: Residential**
This week is all about building the team and new experiences. You'll take part in a range of activities to help you develop as a team and an individual.

**Weeks 3-6: Community Project**
As a team you'll choose a community project to complete, this will give you real life experience of employability skills.

**Week 7-8: Work placement**
This is a great chance to use the employability skills you've developed on your community project to test out a career you might be interested in.

**Week 9: Next Steps**
This is a great chance to use the employability skills you've developed on your community project and test out a career you might be interested in.

**Weeks 10-11: Team Challenge**
Your team will select a local community group to support. You'll need to fundraise and organise events, bringing together all the skills you have developed through the Team Programme.

**Week 12: Final Presentation**
This is an opportunity for you and your team to celebrate all of your successes and accomplishments over the 12 weeks. You won't believe how far you've come!
