

## Module S14: St Elizabeth of the Trinity reader of St John of the Cross

This module is intended to complement other material in relation to both Elizabeth of the Trinity (Modules S06 and S12) and St John of the Cross (Modules S02 and S13). Module S06 provides a comprehensive introduction to the life and spirituality of Elizabeth, while Module S12 considers Christian transformation as exemplified in Elizabeth's life. Modules S02 and S13 introduce the life and spirituality of John of the Cross.

To undertake this module it is not necessary to have completed these modules, as the treatment outlined in this module studies Elizabeth from a particular perspective, namely her spiritual development and identity through her reading of the works of St John of the Cross. There will be some inevitable overlap, which hopefully may emphasise certain points or perhaps provide a slightly different perspective.

This module attempts to trace Elizabeth's spiritual growth from her reading and meditation on John's works.

Only a very brief outline of Elizabeth's life is given, as it is more than adequately covered elsewhere.

This module is available to study on the following programmes:

- Diploma in Spirituality (Carmelite Studies)
- B.Th. (Carmelite Studies)
