

Module DC23: The O.C.D. Charism in the 20th Century

This module explores the development of the Teresian-Carmelite Charism in the 20th century, looking at the following aspects:

1. The Teresian-Carmelite charism - elements and expressions.
2. Teresian-Carmelite spirituality - unifying element of all aspects of life.
3. The Teresian-Carmelite charism in the Discalced Nuns.
4. The Teresian-Carmelite charism in the laity (seculars) and affiliated Institutes.
5. Heirs of a past and builders of a future.

By the end of the module you will have developed

- an understanding of Teresian-Carmelite spirituality as the unifying element of all aspects of Teresian-Carmelite life.
- an understanding of its different expressions in the lives of friars, nuns and lay people.
- some thoughts about the relationship of Teresian-Carmelite tradition to its task in the modern world
