

Module DC21: Bl. Lawrence of the Resurrection

The purpose of this module is two-fold:

- 1) to introduce you to Br. Lawrence and make it as easy as possible for you to find your way around his thoughts and writings;
- 2) to enable you to use this knowledge as a springboard and inspiration in your relationship with the Lord, or for your own spiritual growth.

Br. Lawrence's writings and message are very simple. The whole purpose of everything he said and wrote is to bring his audience in closer contact with God - nothing else really.

The module is delivered as follows:

Unit 1: The Life and Times of Brother Lawrence;

Unit 2: The Presence of God in Scripture;

Unit 3: Faith, Hope and Love;

Unit 4: Brother Lawrence and the Carmelite Tradition;

Unit 5: Brother Lawrence as a guide to holiness.
