

Module DC33: The History of Carmel in Zimbabwe

This module is intended to give a picture of Zimbabwe at the time of the arrival of the Carmelite friars in 1946.

The objectives of the module are to provide the student with some knowledge and understanding of:

- the political and social situation in Zimbabwe before independence , especially with regard to the way it was governed, its provision of education, its provision of healthcare;
- the development of missionary work in Zimbabwe up to 1946.
