## St Catherine's RE Questionnaire 2026

Dear Parents/Carers,

As part of our school's ongoing development, we would like to take this opportunity to capture your views about the Religious Education, Collective Worship and the Catholic Life of our school.

The Catholic Life and Mission of the school is the Catholic identity of our school and how we endeavour to live out the Gospel Values and Catholic social teachings every day. Through every interaction, we aim to demonstrate that everyone in our community belongs, that we are inclusive and care for our most vulnerable. "Religious Education" is the taught RE in school, which is reported on in the annual reports to parents. "Collective Worship" is class collective prayer and liturgy, Advent and Lent assemblies, Gospel and Key Stage assemblies, and Masses that take place both in school and at St Catherine's Church. Thank you for taking the time to fill out this form.

## Honouring Mary in the Month of May

The month of May is a special time when Catholics honour the Blessed Virgin Mary with prayers, crowning's and processions. While several months throughout the year observe Marian celebrations, May is known as the Month of Mary.

Honouring Mary during May began as early as the 13th century, when specific days in May were devoted to Mary. May is also associated with spring and new life, which Mary represents as the mother of Jesus, who gave the world new life through his death and resurrection.

### May Marian Days:

May 1 – Our Lady, Queen of May. While this is not an official feast day, it is the start of the month honouring the Blessed Virgin Mary, often including a May Crowning ceremony.

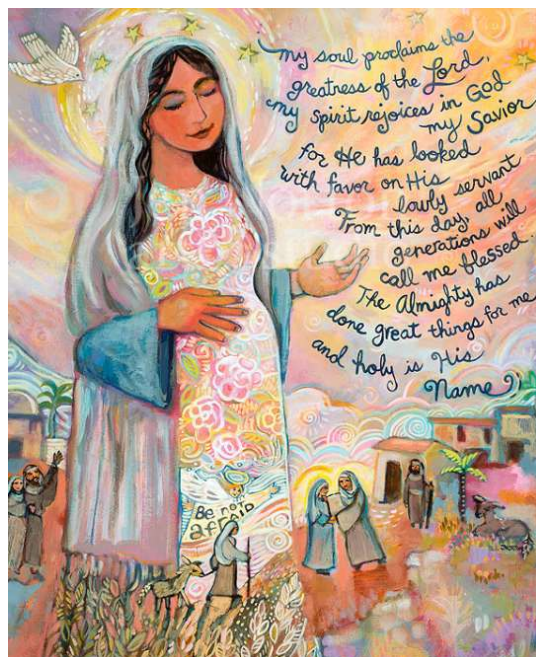

May 13 – Our Lady of Fatima

May 25 – Mary, Mother of the Church

May 30 – The memorial of the Blessed Virgin Mary

### Some ideas of ways to honour Mary at home:

- Create a small prayer space with a picture or statue of Mary and fresh flowers, praying a short prayer such as a Hail Mary together.
- Pray one decade of the Rosary together.
- Talk together about Mary's loving "yes" to God.
- Small Acts of kindness and helping others can also be offered to Mary as a way of following her example.

Join Anisa Lewis, Parenting Coach, for this month's Free Parenting Clinic focused on Neurodiversity and Parenting

We will explore:  
What neurodiversity really means in everyday family life.  
Why some children experience the world more intensely.  
And how to support your child in a way that works for them, not against them.

This is not about labels or fitting children into boxes.

It is about understanding, curiosity, and responding in a way that builds confidence, safety, and connection.

Whether you are at the very beginning of your journey or already navigating a diagnosis, this session will give you practical, realistic ways to better support your child (and yourself).

**Book your free place here:**

<https://anisalewis.as.me/theclinic>

or

Email: [hello@anisalewis.com](mailto:hello@anisalewis.com) for the booking link.

**Does your child experience the world a little differently?**

Do they feel things deeply?  
Struggle with noise, change, or transitions?  
Get overwhelmed quickly... or shut down completely?

Do you find yourself thinking:  
"Why does this feel so hard for them?"  
"Why do the usual approaches not seem to work?"

Maybe you have heard terms like:  
ADHD, Autism, Highly Sensitive

Or maybe you just know, in your gut, that your child needs something different

You are not imagining it  
And you are not alone...

To join this walk, we'll be meeting in the Shirecliffe Road car park (S5 8XA), no need to book.
