Miss Drinkhill is thinking ...

What is 50 divided by a half?

Prove it!

Key Stage 1 Maths Challenge – September 2026

Two Numbers Under the Microscope

Choose any two odd numbers, such as 5 and 9. Add them together.

Draw a picture or make a model to show how the numbers add together.

Can you see anything in any of them that would work in exactly the same way if you used two different odd numbers?

Can you use your one example to prove what will happen every time you add any two odd numbers?

See if you can explain this to someone else. Are they convinced by your argument?

Once you can convince someone else, see if you can find a way to show your argument. You might draw something or take a photo of things you have used to prove that your result is always true from your example.

Key Stage 2 Maths Challenge – September 2026

Andy's Marbles

Andy and his friend Sam were walking along the road together.
Andy had a big bag of marbles.

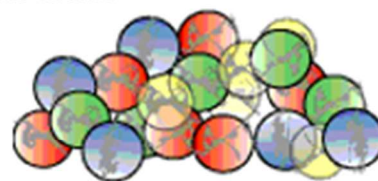

Unfortunately the bottom of
the bag split and all the
marbles spilled out. Poor Andy!

One third of the marbles rolled down the slope too quickly for Andy to pick them up.
One sixth of all the marbles disappeared into the rain-water drain.

Andy and Sam picked up all they could but half of the
marbles that remained nearby were picked up by other
children who ran off with them.

Andy counted all the marbles he and Sam had rescued.

He gave one third of these to Sam for helping him pick them up. Andy put his
remaining marbles into his pocket. There were **14** of them.

How many marbles were there in Andy's bag before the bottom split?

What fraction of the total number that had been in the bag had he lost or given
away?

Sheffield parent carers come and have your say!

Have you heard about the national SEND reforms and Experts at Hand?
Do you want to hear what the Sheffield Local Area Partnership's plan is?

It is critical that we hear parent carers views on Sheffield's intent and so are holding a parent carer workshop so you can hear the journey so far, the intended plan and to give your views on how this could support children and young people with SEND.

There will be a presentation from Jo Laidlaw, Head of SEND, and Lee Carey, Learn Sheffield, along with tabletop discussions and a Q&A session at the end.

Please do come along to ensure the lived experience of families is embedded in the development. Refreshments will be provided.

Friends of Parkwood Springs

our country park in the city

- *Monday 7th, 14th, 21st, 28th September* - Ranger-led Volunteer Sessions 10:00–12:30
 - Our ranger Ryan is continuing his volunteer sessions every Monday, meeting at 10:00. There will be a range of activities on offer, so come along if you want to start your week doing something to improve Parkwood Springs, get to know our local ranger, build nature skills and meet new people.
- *Saturday 12th September* - Forest Garden 10:00–12:30
 - Now that we've had some rain we'll be able to start getting the garden ready for winter. Come and join us and help to cut back the marjoram in the central bed, turn the compost and add some nutrient-rich comfrey to the heap. We'll be able to use the compost as a mulch later in the year.

Open to anyone who wants to join in, all you need to do is turn up on the day at 10:00 at the Shirecliffe car park (S5 8XB). All necessary tools and gloves are provided, as well as free drinks and biscuits.

- *Saturday 26th September* - Conservation Session 10:00–12:30
 - This is our regular four-weekly session working with Ryan, our ranger. Ryan will let us know exactly what we'll be working on closer to the date. At the moment it looks like we may be continuing with our work to improve the meadows and area around the Main Viewpoint and Ridge walk.

We meet in the Shirecliffe Road car park (S5 8XB) at 10:00. All tools and gloves are provided, as well as cold or hot drinks (depending on the weather) and biscuits (rain or shine) for the break.

Year 6 Open Evening – Monday 21st September 4-6pm

Dear Parent / Carer,

Following a fantastic set of GCSE results at Hinde House, we would like to invite all parents and carers of Year 6 pupils to our annual Open Evening. This will take place on Monday 21st September 2026 4-6pm. There is no need to book, just arrive on the day.

This will be an excellent opportunity for parents and carers to meet prospective teachers, who will be able to answer questions that students may have about starting at secondary school in September 2027. The evening will include a presentation from senior leaders (taking place at 16:15 and again at 17:15), a guided tour and a chance to engage with exciting new subjects from the secondary curriculum. There will also be the opportunity to explore all aspects of our inclusive practice - recently judged to be of a "Strong Standard" by OFSTED - and meet key members of the SEND team. Prospective pupils are encouraged to attend.

Please check out our website and follow us on social media, where you can find out about, and keep up to date with, our information, news and events:

We look forward to seeing you all soon and welcoming you to our school community.

Yours sincerely,
