A Culture of Safeguarding at St Catherine's

Allergy Safety

Benedict's Law
This summer the Department for Education released new statutory guidance about keeping children with allergies safe. The government's new *Allergy Safety in Schools* statutory guidance introduces a significant overhaul of allergy-related duties for school.

One in 5 children are thought to experience their first allergic reaction at school, and the guidance aims to ensure that every school has robust, proactive systems to identify, reduce and respond to allergy-related risks.

Managing risk at St Catherine's
All staff have undertaken Allergy & Anaphylaxis Awareness training. All food that is given to our children is prepared and provided by our kitchen staff, breakfast club staff or after school club staff, they are aware of existing allergies and are trained to look for allergic reactions. These staff also manage the food that is provided at school discos and parties, and other ad hoc occasions.

We are really sorry, but we cannot hand out any other food to the children at school – this includes birthday treats. Many schools that we have spoken to have not allowed birthday treats for a number of years, and they have suggested other ways that a birthday can be celebrated with the class.

One suggestion that we REALLY like is for the child to donate a book to the class library, they can put their name and birthday in the book and it can be enjoyed for a long time! Another suggestion is for the child to bring in a drawing of their dream birthday cake that they can show to the class!

Thank you for your support in keeping all of our children safe.

Arriving to School On Time

We know that mornings can sometimes feel like a race against the clock. Between finding jumpers, packing bags, and convincing little ones to put their shoes on, getting out the door is no small feat!

However, making sure your child arrives at school on time every day plays a massive role in their daily happiness, confidence, and learning.

Here is why those few minutes in the morning are so important for your child:

- A Calm Start to the Day: Children who arrive with time to spare don't have to rush. They can hang up their coats, say hello to their friends, and settle into the classroom feeling relaxed rather than flustered.
- No Missed Learning: The first few minutes of the school day often include morning registration, ordering lunch, and completing a morning activity. Arriving late means children miss this part of the day and they can feel a step behind before the day even truly begins.
- Protecting Learning Time: When a child walks in after the bell, it can disrupt the teacher and the rest of the class who are already focused. Being on time helps keep the whole classroom environment calm and focused for everyone.
- Building Lifelong Habits: Punctuality is a fantastic habit to learn early. Showing up on time helps children understand reliability, respect for others, and personal responsibility—skills that will help them all through life.

Year 6 Open Evening – Monday 21st September 4-6pm

Dear Parent / Carer,

Following a fantastic set of GCSE results at Hinde House, we would like to invite all parents and carers of Year 6 pupils to our annual Open Evening. This will take place on Monday 21st September 2026 4-6pm. There is no need to book, just arrive on the day.

This will be an excellent opportunity for parents and carers to meet prospective teachers, who will be able to answer questions that students may have about starting at secondary school in September 2027. The evening will include a presentation from senior leaders (taking place at 16:15 and again at 17:15), a guided tour and a chance to engage with exciting new subjects from the secondary curriculum. There will also be the opportunity to explore all aspects of our inclusive practice - recently judged to be of a "Strong Standard" by OFSTED - and meet key members of the SEND team. Prospective pupils are encouraged to attend.

Please check out our website and follow us on social media, where you can find out about, and keep up to date with, our information, news and events:

- School Website: www.hindehouse.net
- Facebook: facebook.com/HindeHouseSecondary

We look forward to seeing you all soon and welcoming you to our school community.

Yours sincerely,
