

SunnCamp provides products tailored to the unique needs of the British camper

# Family favourites

The **SunnCamp** range covers just about all the camper could ever need

**SUNNCAMP HAS** long been known for quality products and innovative design, bringing style to the family camper for a quarter of a century. Founded in 1983, SunnCamp continues as a wholly British owned and family-run business, with an ability to provide products tailored to the unique needs of the British camper.

Well known to campers for its range of tents, trailer tents, caravan and motorhome awnings, SunnCamp is also the leading brand in camping mains equipment, and its SunnGas brand has a quality range of cookers, refrigerators, lanterns, cookware and kitchen units. The full SunnCamp range covers just about all the camper could ever need, and the company lives up to the promotional pledge of 'Quality, Style, Design, Innovation'.

Take a look through the company website to see a superb 2009 collection with everything ranging from tents, awnings, sleeping bags, cooking equipment, camping furniture and electrical supplies, right through to towing equipment and beach accessories.

## 1 DELUXE KITCHEN
