

# BARRACUDA

## TECHNICAL SPECIFICATIONS

|                                   |  |             |            |
|-----------------------------------|--|-------------|------------|
| Manufacturing process             | Needlefelt                                   |             | ISO 2424   |
| Surface aspect                    | Nop - Dessin                                 |             | ISO 2424   |
| Fibre composition                 | 80% Polypropylene (PP) / 20% Polyester (PET) |             |            |
| Backing                           | DB   |             | ISO 2424   |
| Width                             | 100 cm, 200 cm, 397 cm                       |             |            |
| Total fibre weight of use surface | 1150 g/m <sup>2</sup>                        |             |            |
| Total weight                      | 1850 g/m <sup>2</sup>                        | ± 15%       | ISO 8543   |
| Pile height                       | 4,5 mm                                       |             | ISO 1766   |
| Total height                      | 8,5 mm                                       | +15% / -10% | ISO 1765   |
| Flammability                      | EF   |             | EN 13501-1 |
