

Energy Switch Guarantee members' compliance with key commitments from July to September (Q3 2020)

The table below summarises the performance of signatories against three key commitments of the Energy Switch Guarantee. KPI 2a tracks the proportion of valid switches that are completed within 21 days of receipt of application; KPI 3a tracks the proportion of final bills issued within 6 weeks; and KPI 4a tracks the proportion of credit refunds issued within 14 days of the final bill being sent. Suppliers' performance is coded Green if they have met the commitment set out by the Guarantee or Red if they have not:

KPI	Green	Red
2A: 98% of switches completed in 21 days or less	98% or above	Below 98%
3A: 90% of final bills issued within 6 weeks or less.	90% or above	Below 90%
4A: 90% of credit refunds issued within 14 days or less after the final bill	90% or above	Below 90%

Signatories on Compliance Process

British Gas remained in deferred suspension in Q3 2020. The period of this deferred suspension extends until 1 November 2020.

Octopus Energy displayed non-compliance with KPI 2a for the second successive quarter in Q3 2020 and, as part of the compliance process, Octopus Energy is submitting a formal action plan to outline how these issues have been or will be resolved.

Yorkshire Energy displayed non-compliance with KPI 4a for this quarter only, having previously been fully compliant. This is being monitored by the compliance process and Yorkshire Energy expects to be fully compliant in the next quarter.
