

ACTIVITY TITLE:

Raspberry Pi

Special Thanks to

MISSION:

Raspberry Pi foundations mission is to put the power of computing and digital making into the hands of people all over the world. They have created a lot of free Resources to learn in a fun and engaging way.

ACTIVITY HOSTS – WANT TO GET INVOLVED AND LEARN MORE?

<http://coolestprojects.org/> - Coolest Projects gives young people the chance to showcase the great ideas they have created. This free event takes place in the RDS, Dublin on 5th May 2019. Registration open until April 14th

If you would like to learn and explore the use of Raspberry Pi, have a look at the following resources:

<https://projects.raspberrypi.org/en/> - Great projects to help start writing code and get going

<https://www.codeclubworld.org/> - Worldwide network of free, volunteer-led coding clubs for children aged 9-13

<https://www.raspberrypi.org/training/> - Picademy is the Raspberry Pi Foundation's flagship free teacher training initiative

<https://www.raspberrypi.org/training/online/> Learn about digital making and join a global community

<https://astro-pi.org/resources/> - Discover Mission Space Lab and Mission Zero

FINAL STEP!

Activity Hosts - Don't forget to register your activities on www.techweek.ie.
