“

- I'd like the Financial Ombudsman Service to look into my complaint. To the best of my knowledge, all the information I've given you is accurate.
- I understand that you usually resolve complaints by phone, letter and email.
- I understand that you will need some personal details about me, that you might need to share information I give you – including sensitive or personal information – with the business involved and other relevant organisations, and that you might need to ask them for information that's relevant to my case.
- I understand that you have a duty to publish your ombudsmen's final decisions on your website – with consumers' details removed - but that most cases can be resolved before they reach an ombudsman
- I understand that to help you provide the best possible service, you (or a trusted third party) might ask me about my experience. And though you sometimes publish anonymous examples of the cases you look at, you'll always keep my information confidential.
