

## CHRISTMAS 2018: IN YOUR ELEMENT

This Christmas, we've designed our Limited Edition Gift Sets to give you the unique opportunity to personalise your presents based on the four element signs – Earth, Water, Air and Fire.

The products inside are suitable for all skin types and include our most-loved hero products such as Rosehip BioRegenerate Oil, as well as bespoke Holiday products created just for these *In Your Element gift kits*, such as the Neroli + Ginger scented candle.

### WHAT'S IT ALL ABOUT?

You know that magic moment when everything aligns, and you find that place or person that you're so compatible with?

That's exactly what it feels like when you finally find that perfect product for sensitive skin.

We want to harness the power of the elements to help our customers choose the products which will be their perfect match.
