

Bonza Bike Tours Important Logistic Notes

During the festive season in Sydney, it is very busy, especially around Circular Quay and Darling Harbour where many locals and travellers gather to celebrate and enjoy Sydney's iconic sights. We kindly ask for patience and understanding whilst our experienced guides navigate the busy areas to ensure the smoothest and safest ride possible.

We have over 20 years of experience so you can count on a highly skilled team doing everything they can to ensure you have a great tour!

Please note that our shared group tours may have more than one group departure on the same day so we will be running on a 'first in, first out' policy! On particularly busy days, you will be assigned a coloured rubber band to determine which group you will be in.

Recommendations:

- *Plan ahead: Factor in extra time to travel to our office (30 Harrington St, The Rocks, 2000) – check for any road closures or detours.*
- *Stay hydrated: December can be hot in Sydney, so bring water and sun protection.*
- *Be patient: With busy pedestrian areas, it may take a little longer to safely get from one spot to another.*
- *Have fun: The crowds can be challenging, but remember, you're on holiday...just smile and have fun!*
