black cat

Name: \_\_\_\_\_ Class: \_\_\_\_\_

Draw an illustration in each box.

This is Captain Red with his cat and parrot.	They found a map. It had a path to the treasure.	The path started at the tree. The cat found the tree.	They needed to find the flag. The parrot saw the flag.
Next to the flag was a bucket and spade.	Captain Red dug a hole. There was a box in the hole.	Inside the box was the treasure.	Captain Red, the cat and the parrot went home.
