Welcome to your new home and your travel information pack

New home, new circumstances, new ways to travel…

Moving into a new home and community is a great time to think about how you travel and to try some new ways of getting around.

The Travelwest Team are here to help; whether it's travelling to work, school or college, travelling to toddler groups, day clubs, shopping, health appointments, or visiting friends and family. They will work with you to put together a travel pack that's relevant for you. We have a selection of maps, leaflets and timetables to accompany the information provided in this leaflet.

This pack and all the related services and offers have been produced by South Gloucestershire Council with funding from the Department for Transport and housing developers.
