Transport measures

The types of measures we could invest in to improve transport across the West of England are listed below. Please indicate the level of support you would give to each of these options.

	Strongly agree	Agree	Neither agree nor disagree	Disagree	Strongly disagree
Public transport measures (mid to high-cost schemes, timescale depends on intervention type)					
Construct a mass transit network (underground or at street-level e.g. tram)	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Expand the metrobus network	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Improve bus facilities e.g. bus lanes, information, waiting facilities and buses	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Provide new and improved rail stations and increase frequency and capacity of rail services	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Create a ring of Park & Ride sites serving the main urban areas	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

Highway measures (often high-cost, long-term schemes)

Make improvements to existing roads e.g. increase capacity at junctions or improve timings of traffic signals	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Use technology to more effectively manage road space and keep traffic moving e.g. better manage the use of traffic signals for the benefit of all road users	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Construct and/or improve motorway junctions	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

Transport measures continued

	Strongly agree	Agree	Neither agree nor disagree	Disagree	Strongly disagree
--	----------------	-------	----------------------------	----------	-------------------

Walking and cycling measures (often cheaper and quicker to provide than highway measures)

Create a comprehensive and safe network, so active travel is the preferred choice for shorter trips and for accessing public transport	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
--	--------------------------	--------------------------	--------------------------	--------------------------	--------------------------

Creating better places measures (cost and timescale varies depending on type of measure)

Use technology to reduce the need to travel e.g. provide more remote access to services and improve broadband/develop 5G	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Use technology to enable seamless journeys e.g. improved access to travel information and smart ticketing	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Reallocate highway space to public transport, walking and cycling, where appropriate	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Use mechanisms to reduce dependency on private car use in urban areas e.g. charging, parking restrictions	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Improve the efficiency of freight movements	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Restrict the most polluting vehicles from areas of poor air quality	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Promote and expand the use of electric vehicles	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Improve road safety by designing for and imposing appropriate speed limits, improving driver behaviour and providing training for different road users	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

Funding options

To deliver the transformational schemes required to achieve the vision of connecting people and places in the West of England, additional funding options need to be explored. Please indicate the level of support you would give to the following potential sources of funding.

	Strongly agree	Agree	Neither agree nor disagree	Disagree	Strongly disagree
Road pricing e.g. congestion charge to drive into specific areas	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Workplace Parking Levy, when employers are charged for having private parking spaces. This charge can be passed on to employees who use the spaces.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

Funding options continued

	Strongly agree	Agree	Neither agree nor disagree	Disagree	Strongly disagree
Council Tax rate increase	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Business rates increase	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
