10AM - 3PM

### EVENT DETAILS

Please arrive from **10am** and head to the Trees for Cities marquees and registration area.  
**All participants must sign-in at the registration table before starting the activity.**

**Activity:** We will be planting young trees in areas with potentially uneven, muddy ground. This activity can involve digging and lifting as well as using simple hand tools and wheelbarrows.

**Background:** This planting day is part of a larger project to add more trees to the park and contribute to London Borough of Hillingdon's tree canopy cover goals. The trees are intended to provide shade near the playground and add visual interest to the open areas.

**Trees for Cities will provide:** Tools, supervision and training, free lunch and refreshments.

**Facilities:** There will be toilets (portaloos), handwashing stations, and drinking water on site.
